**** EDITORIAL ****

This is to inform all you fellow members that this will be my last newsletter due to health problems. I feel that you all deserve a well written and informative newsletter and with my current health problems I am unable to keep up with information that is pertinent to club members and the other officers do not have the time to provide information. I have tried very hard to write a well informed and entertaining newsletter these last few months and it is with regret that I give it up. I hope that you, as members, have enjoyed the newsletter.

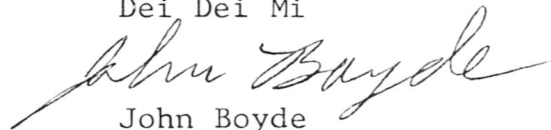

I have been informed that the drag race that was previously planned and voted on, has been scrapped at this time. Please make inquiries regarding the drag race and any other matters to Ricky Richter (865-6746), the Events Director or President Dale McDaniel (868-2631).

MEETING This month's meeting will again be held at the Bonaza at Opryland. Please use your map from last month. Please plan to attend because jackets and T-shirts will be given out to those who have paid for them.

The mailing address for the club will remain the same post office box (60827 Nashville, 37206) but the phone number will be 868-2631 which is Dale McDanile's number.

REMARKS To all you Nam Vets; Keep the faith and don't step in the kimshi!!!!
