Monthly Feature **MEMBER'S MOPARS**

Hello Folks!

Mopar to you each. I am Carl Harvey Jr., 67 years young. I live smack dab in the middle of Tennessee, Murfreesboro. My Mopar is a 1971 Dodge pick up truck custom 100 - 318 cu in engine - A727 trans - power standing (linkage type) power booster brakes. I purchased this truck 10 years ago, had a blown engine (rod through its side) it needed several parts, moldings, lenses and etc's of which I didn't think would be a problem. Boy was I in for a surprise, after visiting what seemed like all junk yards in Tennessee I spread out to several states (6 of 'em) in locating parts that I needed. The truck had some rust, dents and damage in several areas and looked rather sad. My son-in-law Don Hall preformed an operation on the body parts and painted the truck about 7 years ago. I didn't have the space to put the truck inside so it remained out side for a couple of years while I was chasing for parts and working on it. Finally I had it safe enough to drive but wasn't through with it. Do you ever get finished? I had loose wiring under the dash, some things not hooked up and etc's.

I heard about a Mopar Club in LaVerge, Tennessee, and called and talked to a fellow named Larry Forrest at K.C. Motors. I drove down and met Larry and found out the Mopar Club was having a Mopar Show 1991. Larry talked me into entering my truck in unfinished class which resulted in a second place trophy (the bug got me). I met a lot of nice people and still think today (Music City Mopars has the nicest people). I joined the club

shortly after that, worked some more on the truck (up-grading, I think it is called).

I drive my truck just about everyday, anywhere I want to go. I started showing my truck and meeting some of the most interesting people. My truck does not always win a trophy at each show I enter. My motto is I always have a winner. I get there, meet people and make it home. Through my truck I have met the nicest people and it seems they all belong to the Music City Mopar Club.

On May 8th, 1992 at a club function in Shelbyville, Tennessee AACA Open Car Show, I was presented a plaque from the Music City Mopar Club as **MOST ENTHUSIASTIC MEMBER** I wish to THANK YOU EACH for this award that I will always cherish and display proudly. We all have something in

TECH TALK with John Dodson

Our show is just around the corner. Many of you will be showing your car. Some of you have worked so hard to get your car ready. This months tech talk will be on showing your car and judging. When the group of men come walking around your car. What do they look for. First your car is divided into four sections. 1. engine, 2 chassis, 3 interior, 4 exterior. Small shows will usually use a 100 point system. While a very large show may use a 1000 point system. In most cases there will be 4 or 5 judges. Each will be assigned one area to judge. Detail is the key. How much real work has gone into the car. These are usually not professional judges. They are just regular guys that may have a car in the show. Before they come around, have a friend look your car over and give you his honest opinion. Let him point out what may be noticed. If he points out to much. Ask if you can judge his car. You must be there when the car is judged. Last year, I got a First place trophy for

my car. I honestly believe the other car was better, but when the judges came around. The other cars owner was no where to be found. Put your car in the show. Even if you think it may not win a trophy. This ant the mopar nationals. Its a club event for all to enjoy. Ive enclosed a copy of a judging form. it was used at a recent car show. Cleanliness goes a long way. Especially when your in hot competition.

A personnel note: There will be allot of people at our car show. Many from out of town. Please turn on our southern kindness. Make them fill welcome. If a man pulls up in a Daytona, let him know your glad to have him at our show. But give the same kindness to the man that pulls up with a truck load of junky looking parts. Its gonna be a great show.

The Lord Loves ya

"REMEMBER" Club members Make the Club! Participating Members Make It BETTER!!!

Well once again our Picnic/Meeting at Neil Johnson's house was a success, plenty of good folks, good food & good times. From my understanding the picnic meeting at Neil's have been the most successful of all the picnics. Maybe we should make it an Annual August Event? How about it fellow members? Should we ask Neil if he's willing?

The actual meeting was a short one. (They wouldn't let me talk long). The New Official Club T-Shirt was voted on. They will be Ash Gray (cooler on those Hot Show Days). Prices are - S,M, & L are \$7.00 each, 2x - \$8.00, and 3x - \$9.00. T-shirts with pockets are \$1.00 extra. Those of us who ordered the new shirts **MUST** pick them up and pay for them at **OUR SHOW!!**

Members wishing to order them may do so at the show. Please pay for them when you put in your order as John got stuck with some stuff last year. (So did the Club, so pay as you go!) If you are working the show & haven't gotten your new shirts - Please wear your red ones.

The Meeting September 19th is to finalize show preparations. If you have volunteered to help work the show & cannot make the Sept. 19th meeting call Neil Johnson and he will let you know when you are needed.

Oldies 96.3 will participate in the show, Sat. Sept. 25th from 1 PM till 4 PM. Ace Freeway and the Jim Dandy Rescue Kids will be there. It will be a fun thing.

We went to the Hollow Rock Show, Sept. 4th. As promised it was a nice show and a real good time. Us Mopar People had our own special section just for ourselves and everyone treated us really well. The Mayor of Hollow Rock had all four lanes of Hwy 70 blocked off and let the Race Cars do exhibition runs. We won the Club Participation Trophy but those of you who could not make it this year should put it on your calendars for next year. It really was a good time.

As I write this we have passed the free T-Shirt for first 75 Pre-Entries. The members who have not yet entered will have to purchase their show shirts.
