## *MEMBER'S MOPARS*

Owning my 1971 Duster 340 came about in a round about way. I have always wanted a '71 Duster 340. I guess it was because my older brother had one when I was 14 years old and I loved that car! Anyhow, when I started looking for one in 1993, the only ones I found for sale, seemed to be 1000 miles away. So I ended up buying a 73 CUDA instead. Guess what happened next? About two months later, a fellow club member named Rex Cheatwood advertised in the newsletter a 1971 Duster 340. The car was a numbers matching car, equipped with an A31 axle package, bucket seats, A/T in console, factory tack, disk brakes, power steering and color was B5 Blue. I went to look at the car and bought it. First, I pulled out the engine, which had already been rebuilt, and painted the engine, engine compartment and trunk, then applied a base coat, clear coat paint job. Next, came the stripes, rechromed bumpers and so on. I have completed most of what I intended to do to the

car but still have more work planned for next winter. I hope to enter it in the Mopar Show in Paris, Tennessee this spring, which will be my first show. I have met several great people in the Club and look forward to meeting many more.

Your Friend,

David Bolinger

I want to thank the members that endured the heat and humidity to attend the June meeting at the Shriner's Car Show. Our club took the club participation trophy for the second year in a row. We also presented the Mopar Club Best of Show Trophy to a beautiful fuel injected '57 Chevy.

The July Meeting will be a picnic on Old Hickory Lake on July 23rd. (**DIRECTIONS to ROCKLAND RECREATION AREA in Hendersonville.** Meeting at 2:00 PM. From Nashville - North on I-65 to Rivergate area, take Vietnam Veterans Blvd. Get off at Exit 3 (Hendersonville 31E North). Turn right at 1st light at the Citgo Service Station onto Freehill Rd. Turn left onto Rockland Rd. Just after cross over railroad bridge turn right at 1st street. Go to 2nd turn in. Meeting will be at the 2nd Covered Picnic Shelter on the left. Watch for Signs & Balloons starting at Citgo Station. If coming north on Gallatin Rd. will be 1st light after Center Point Rd. intersection. Facilities available are playground, volleyball, boat ramps, fishing swimming.) This is a

covered dish picnic and there will not be any cooking. Please contact Kim Litton and tell her what you can bring.

We have sold a few classes for our show but have many more to sell. Classes are selling for \$75 with a years advertising or \$60 without the ad in the newsletter. The show is only 2 months away. If you want to receive the free T-Shirt you need to pre enter as soon as possible. We are already receiving many pre entries. I have had phone calls from out of state and have sent them fliers. I have sent fliers to be distributed by Mopar parts suppliers with their orders. If the weather cooperates, we should have a large turn out.

At the July meeting there will be a discussion on whether to return to a One Day Show or continue with a 2 Day Show. I repeat, a discussion only. At the August meeting there will be a discussion and vote. Any member that desires a One Day Show should find a site that does not charge admission, has electric hook-ups, and allows overnite parking for cars that arrive on Friday night. Bring your suggestion to the August meeting for a club vote.

Remember that membership renewal dues must be paid by the January 1996 meeting or your name will be dropped from the membership list.

Members that went to the Southern Wheels 'n Motion car show in Tullahoma got to hear an exceptional DJ. His trivia questions and facts entertained us all day. He has agreed to DJ our show. His name is Mike Cunningham and I am sure you will enjoy him and his beautiful blue Superbird.

See you at the picnic.

Butch

# KIM'S KORNER

## AKA Ladies Choice

Hello Again!

Whew! Show Season is in full swing - I think there may be a lot of lonely people out there - You aren't staying at home while "they" get to have all the fun are you? You too can have loads of fun at the show.

First, you can help wash and wax and detail the vehicle out - (That's before you go to the show) - When you get to the show, you can help wipe the dust off the car, wipe down the interior and clean the windows, etc. What!?! That doesn't sound fun? Hey, think of the quality time you are spending with your significant other! The quicker the two of you get the vehicle cleaned up, the quicker you can get to sit in the lawn chairs and reap the rewards of a job well done. You see, before, during and after the clean up, people will come around to ask ooh and oh over that wonderful piece of machinery. They'll ask what is it, what year, what kind of engine, color and lots of other things - and you can proudly say the answers - (You do know don't you?) - If not, you might better ask you know who before the next show - you'll also see the look of joy and pride on "their" faces as "they" field the gauntlet of questions. - You'll even get to meet a lot (and I do mean a lot) of new people.

Think you'll get bored? Bring a book, walk around, talk to people, ask questions - Relish in the quality time you spend with your significant other - And have fun! Oh yeah, don't forget the camera for those Kodak Moments.

Stay Safe and Be Aware!

*Kim*
