IF YOU CANT REALLY SEE WHAT KIND OF CAR IS UNDER ALL THAT SMOKE, WELL ITS MY 1969 DODGE DART GT. IT ORIGINALLY WAS A CALIFORNIA CAR WHICH I PURCHASED FROM A CAR LOT NEAR CHICAGO NAMED "HORSE TRADER JUAN". THE CAR HAD THE ORIGINAL NUMBER MATCHING MOTOR AND TRANS AND STILL DOES. WHEN I BROUGHT IT DOWN TO TENNESSEE THE FIRST THING DONE WAS A REBUILD OF THE 318 ENGINE AND 904 TRANS WITH THE HELP OF MY GOOD FRIENDS ROBERT "BABY BLOCK BOB" VACHUNEK AND BIG BLOCK BILL BRADLEY JR. THE MOTOR WAS BORED .030 OVER AND IT HAS A 280-480 COMP CAM. WE MOUNTED A HOLLEY 650 DOUBLE PUMPER AND 340 HEADER EXHAUST MANIFOLDS. TAKING UP THE REAR IS NOW AN 8 3/4 WITH A 3.23 ONE WHEEL WONDER (SOON TO BE CHANGED). THE CAR IS A LOT OF FUN TO RACE AS YOU CAN PROBABLY TELL FROM THE PICTURE. MY BEST TIME IN THE 1/8TH MILE IS 8.95 AT 75 MPH. NOT BAD FOR JUST A 318. WHO EVER SAID SMALL BLOCKS CAN'T RUN?

MOPAR OR NO CAR.

FYI

LOOKS LIKE MIKE, ROBERT AND I ARE AT THIS AGAIN. THIS TIME IT WILL BE WAYNE HALL CHECKING UP ON US. THE FOUR OF US HAVE SOME PRETTY GOOD IDEAS ABOUT 1998 AND WE'RE GETTING LOTS OF INPUT FROM YOU. THAT'S GREAT, WE NEED YOUR IDEAS.

THE 1998 DRAG RACE WILL BE HELD SUNDAY OF MEMORIAL WEEKEND. THAT IS OUR TRADITIONAL DAY. THIS YEAR THE TRACK WILL BE SUPPLYING MOST OF THE LABOR. THAT RUNS THE COST UP A LITTLE. THAT MEANS WE NEED AS MUCH ATTENDANCE AND PARTICIPATION AS POSSIBLE TO COVER EXPENSES. SEE YOU THERE.

THE 1998 CAR SHOW WILL BE ON THE LAST WEEKEND OF SEPTEMBER. THAT IS THE TRADITIONAL WEEKEND. THE LOCATION WILL BE NEW AS WE HEAD TO RIVERGATE AND THE "TENNESSEE SPEED SPORT" PARKING LOT. THIS IS THE OLD SERVICE MERCHANDISE FACILITY AND SHOULD HAVE PLENTY OF ROOM. ALSO THIS YEAR WE HAVE A NEW SPONSOR IN "HOOTERS" WHO WILL BE THE CONCESSION VENDOR IN THE DAY TIME AND SPONSORING THIS YEARS PARTY ON SATURDAY NIGHT.

THERE WILL BE MORE GOOD NEWS TO COME ON EACH OF THESE EVENTS AS WELL AS CAR CRUISES THROUGHOUT THE SPRING AND SUMMER.

THIS MONTHS MEETING WILL BE ON FEB. 22ND AT MEINEKE MUFFLER AT 960 MAIN ST. IN EAST NASHVILLE. THAT IS JUST ACROSS FROM HUNTER'S CUSTOM AUTOMOTIVE. WE WILL BE HAVING A TECH SESSION ON A-BODY FRONT END AND BRAKES AT 1:00 AND THE BY-LAWS MEETING AT 2:00. IT WILL BE A GOOD MEETING ALL AROUND.

TECH TALK

KNOW HOW TO CLEAN YOUR CARPETS? I KNOW EVERYONE HAS A LITTLE STAIN ON THEIR CARPET OR SEATS THEY'D LIKE TO BE RID OF. MY WIFE'S MINI VAN GETS ABUSED. WHEN I GET A GREASE STAIN ON THE CARPET SHE WANTS IT CLEAN. ABOUT THE BEST WAY IS TO GET SOME TURTLE WAX AUTO CARPET CLEANER, SOME CASTROL SUPER CLEAN PURPLE STUFF, A SCRUB BRUSH, A PAN OF WARM WATER, AND A VACUUME. FIRST VACUUME THE CARPET WELL. THEN SPRAY THE ENTIRE CARPET WITH CLEANER. MIST IT WITH PURPLE STUFF, AND SCRUB WITH WARM WATER. LET IT SET FOR 10-15 MINUTES. VACUUME THOROUGHLY NOW AND AGAIN IN 45 MINUTES
