If the smell of spent high-octane fuel, burnt rubber and greasy hamburgers gets your juices flowing, then National Trail Raceway in Columbus, Ohio was the place to be, August 13-15.

My fellow cohorts and I began our journey on Thursday morning August 12<sup>th</sup>. We caught up with the Mopar Muscle magazine cruise to Brice Road in Bowling Green, Kentucky, at the Holley Plant. It was pretty cool cruising' the highway with some quality Mopar iron, but it took us twice as long to get there so I probably won't do that again.

Friday we got there early to check the swap meet. Three of us had to get to a judge's meeting at 10:00am. So we skimmed through the parts and goodies for those hard to find treasures. Wayne Hall and I judged B-body modified cars and the competition was stiff, as there were some fine examples of modified Pentastars. When the smoke cleared, or should I say the rain clouds, a beautiful '69 Roadrunner and a '55 Dodge Custom Royale emerged victorious in their respective Plymouth and Dodge divisions. There were a lot of gorgeous show cars to drool over including an 1,800 mile six-pack Road Runner survivor car and a World war II ear jeep complete with machine gun turret and

other equipment to complete the look. In the judged show car area I spotted a 1 of 3 Q-5 Turquoise Dodge Daytona. . . . BEAUTIFUL! However, on the backside, close to the swap meet, I saw another Daytona under construction. It was painted blue, but under the hood on the fender tag was code Q-5! Cool, huh?

Kudos goes to Denny Richardson for his third place won in the Pro-street category. His awesome '66 Barracuda "Purple People Eater" is definitely a head turner. Now if I can only talk him into running' it down the quarter mile a time or two!

Saturday was cool and rainy, but we still had a great day filming show cars and drag racing. The cool temps sort of dampened our spirit for cruising Brice Road that night. So, we decided to go to a seminar at the Best Western across the street. A man, whose name has escaped me, who was instrumental in the development of the Road Runner, gave a two hour presentation, with slides, documenting the creation and success of 1969's Motor Trend car of the year. It was great to hear him speak of the people who had a hand in the heart-warming tales of how it all came together. He was definitely timed well spent!

About noon we gathered all our cool Mopar stuff that we had acquired and set out for home. . . . Man I can't wait until next year!! See ya at the MCMC Show!!!!

#### CONGRATULATIONS!!

Long time MCMC members, Mr. and Mrs. Ralph Price will be celebrating 60 years of wedding bliss in September. Rumor has it that they will be honeymooning at the MCMC car show

# F Y I

I want to thank everyone who attended the August meeting held at Coaches' Sports Bar.

Our show is less than a month away. The dash plaques have been delivered. The trophies have been ordered and are being assembled. So far things are going well, but we still need some volunteers. We need help with security on Friday and Saturday night and help with teching and parking cars.

The club golf shirts are finally available. They are awesome! The club logo is embroidered on the shirt and you can have your name added. They have a pocket. If you like to order a shirt call Wendell Marshall at 615-264-6370.

The Friday night cruise before the show will be to Music City Raceway. We will have a Mopar only drag race. There will be a \$10 entry fee, \$5 of this will cover the cost of entering the race and time trials. The remaining \$5 will go toward first place prize money. The winner and runner-up will receive a trophy.

The September meeting will be at Dale and Pam McDaniel's residence on Sunday, September 19<sup>th</sup> at 2:00pm. They are located at 1616 Neely's Bend Road in Madison. Neely's Bend Road is located off of Gallatin Road between Old Hickory Blvd. and Briley Parkway. It is approximately one mile from Old Hickory Blvd. Turn east off of Gallatin Road, between Walgreen's and City Methodist Church, onto Neely's Bend and go approximately four miles to house on right side of road. Any overflow parking will be able to park in church parking lot that is just past their house on right.

We will be stuffing the goody bags for the cars show. Any of you who have items for the goody bags please show up, and we can use the man power to help get the job done quick. Then on Friday, September 24, 1999, we will have our set up session at Tennessee Speed Sport on Two-Mile Pike at 12:00 noon. Friday night at 4:00 we will have early bird registration and the cruise begins at 6:30pm. On Saturday registration begins at 8:00am and continues until 3:00pm. Judging will be from 10:00am until 5:00pm. On Sunday there will be no registration and all show cars must be back by 9:00am. Trophies will be handed out around 1:00pm. You have heard us say it before, if only for a few hours, we need your help. Please call me at 615-444-1521 and let me know if you can help out. If I'm not there, leave me a message. We seem to have a higher number of early entries and vendors this year. Looks like it will be a great show. Don't forget about the \$25 door prize. You must be present to win. I'll see you there.

President
