## EditoR/Talk

Well, what can I say? Last month was a rough one. One minute I'm hangin out with my fellow mopar friends at a club picnic and a few hours later I'm running a fever and feeling pretty bad. No, it wasn't the hot dogs, but a case of strep throat. This, along with a short deadline, kept me from an article last month. So I apologize for that, but wasn't that a neat picture of the new hemi? Ahh, yes....the hemi. To a mopar enthusiast, it's the jewel on our crown. To the brand X guys, it's a thorn in their side. No matter what brand your loyal to, the hemi not only gets respect, it demands it! I've gotten into many-a-debate with Ford and Chevy guys in defense of our mopar devotion and all I have to do is mention the hemi and they get quiet and give me that "you got me there" look. You just can't deny the facts. Don't get me wrong, Ford and Chevy had some great motors that I respect. But, for pure horsepower straight off the assembly line or for racing, the hemi wins, hands down!

I guess that's why you pay a good 10-15 grand more for a *hemicuda* than a 440 Cuda. The hemi cars carried a hefty price tag even when they were new. Most people opted for a 383 or 440 to satisfy their craving for speed when they bought them new. The hemi meant more money for the car, gas, and insurance. Pus the hemis were also a bit notorious for being tempermental at times. So not a lot of cars were so equipped. Tat's why they are a little more rare and collectable today.

Whether it was in NASCAR, NHRA, or just street performance the hemi ruled then and does now. Just ask Don Garlits, Richard Petty, or Bill "Maverick" Golden and they'll tell ya all about it...with a smile!

on a sadder note, NASCAR lost one of it's bright young rookies last month. Adam Petty lost his life while testing for a Busch race in a terrible crash. This, only weeks after his great grandfather, Lee Petty, passed on. Our sympathy goes out to the Petty family during this time of great loss.

Mopar 2 ya!

## *FYI*

Our May meeting was in Columbia, Tennessee (Maury County) @ Country Cruisers, 13<sup>th</sup> Annual Car Show. There were several members present for their first meeting. Roy Pritchard won the \$25 door prize. Congratulations go to Denny Richardson for his excellent showing at The All Mopar Southern Nationals in Reynolds GA. He won 1<sup>st</sup> in his class and the Club President's Choice Award. There were also several members present at the Smokey Mountain Mopar Car show on June 2<sup>nd</sup>. I had to leave before any awards were given out so if you were there and won an award, congratulations. Also, if you have anything that should go in the monthly newsletter I need it the week following the club meeting. H&E printing does an excellent job of printing our newsletter but they need all the info at least 2 weeks ahead of time in order to get the job done. So just remember that June's meeting will be on June 25<sup>th</sup> so all newsletter articles need to be in by June 30<sup>th</sup> (Friday). Please send your articles in otherwise I have to make something up.

The June meeting will be at Hooters in Rivergate on Sunday June 25<sup>th</sup>. The meeting starts at 2:00 P.M. We will give away a \$25 door prize. You have to be present to win.

Wayne Hall, V.P.

# "Car/Truck Of The Month" We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their "rides" but writing is not always your strong point. This is where MCMC newsletter editors can offers some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.
