

Music City Mopar Club

Vol. 11, No. 8

Printed By H&E Printing

August 2000

FYI

Well here it is August and just a few more weeks until our annual show. It seems to come around quicker every year. We've done this now for many years and each year becomes bigger and better. Last year we had 130 cars, 39 vendors and many, many spectators that came by. We always need more help and this no different. We have a core group of about 20 people out of 110 members that work the whole show from set up Friday to tear down on Sunday. If you can volunteer, even for a couple of hours please do so. This is our club and we all need to put fourth some effort to put this show on. We have a good reputation among Mopar car shows and we want to keep it up. We have people that come every year to our show and sometimes it seems like a family reunion.

We need goodie bag items like pens, pencils, key rings, rulers, and decals anything at all. We also need door prizes. Go to your favorite parts store and ask for a door prize donation. You can also buy a door prize for us to give away. It can be a can of wax, a box of towels or a case of oil. I think you get the idea. Even though we are all different as night and day, we all have one thing in common and that is the love of these old cars and trucks. Our show is a chance for us to show our common bond and make our guests glad they came. When we make our donations to charities at the end of the year we can all take pride in saying I'm a member of the Music City Mopar Club.

At the East TN Mopar Club's show in Knoxville three members of our club showed there car's and won awards. Denny Richardson won 1st in his class. Denny also received best engine and best interior awards. The Norris Lake Mopar Club also gave him their member's choice trophy. Garry Wilkerson won 1st in his class. Nick Willmore won 2nd with his Road Runner and 1st with his truck. Congratulations guys for a job well done. I meant to mention this last month but I guess its better late than never.

Our next meeting/cruise will be at **Backyard Burgers in Franklin** on **Saturday, August 26th @ 6:00 PM**. Look for the club banner, rain or shine, let's show Franklin, Tn what the MCMC is all about. Drive your Mopar!!!!

President, Craig Satterfield

P.S. Don't forget about the \$25 door prize, but you have to be present to win. Editor talk return next. month with Mopar Nationals coverage

“Car/Truck Of The Month” We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their “rides” but writing is not always your strong point. This is where MCMC newsletter editors can offers some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.

Owner: _____ **Phone:** _____

Make: _____ **Model:** _____ **Year:** _____

Engine: _____ **Transmission:** _____ **Rear End:** _____

Color- Exterior: _____ **Interior:** _____

Significant Options:

Special Features:

History(humorous or not)

Attach Additional Pages if Necessary.

The Special Features should include any information such as unique engine or drivetrain components or unique body or interior features.

The History section should be used to talk about the background (always a Sunday driver, etc.) or information covering the pain and pleasure of a restoration.

To do this type of feature we need your assistance (and **pictures**). **Help us out!**
