Editor/Talk

Dateline: August 10,2000

On a crisp, sunny August morning I had packed my bags for a journey beyond this mans wildest imagination. Myself and five other agents of the pentastar were ready for departure on what would be an exiting four days of car show observance. My name is Keith Petitt: code name "Charger".

Our journey began from mopar headquarters (my house) in Portland, Tn.. My trusty partners, Robert: code name "Cuda", Rob: code name "Road Runner" and Todd: code name "Duster" boarded the good ship "Ram" and headed due north on I-65, bound for Columbus,Ohio. We were joined by two other agents, Clint and Hunter: code names "Dart" and "Falcon". I was a bit leery of "Falcon" at first but we carried on despite my suspicions. After several hours of driving and conversing about all things mopar, we finally reached our destination. Upon our arrival we immediately checked out the swap meet area to scope out early deals. We decided to hold off our attack until the next day when all vendors would be present and accounted for.

Dateline: August 11,2000

After a night of preliminary cruise patrol, we got up early to get an early jump on the swap meet. At approxamately 10:00 a.m., "Cuda", Road Runner", and myself were summoned to the tower. Our mission: show car judging. After hours of inspecting, sweating and drooling over these pristine examples of pentastar iron, the three of us set out to locate our other partners. "Dart" and his sidekick "Falcon" had been checking out the show cars and staking out the drag racing while "Duster" was scouring the swap meet for the elusive parts he had been seeking. I must admit that "Duster" had become quite giddy with this outing. This was his first mission of this magnitude. Even "Falcon" was becoming quite impressed and his allegiance to our arch rival, the "blue ovals" was starting to change. After all, hemis and six packs have a way of intimidating those of weaker devotion.

Dateline: August 12,2000

Today would prove to be a daunting task. Our objective: to get as many of these mopars caught on tape as possible. "Duster" and myself armed ourselves with "state or the art" instamatic and 8mm weaponry, with auto focus and zoom lenses. The examples of such images can be found further along in this report. We covered the grounds as thoroughly as possible and finished up at the swap meet....again.

As on the two previous nights before, we all converged on a stake-out on a strip of asphalt known as Brice Road. The absolute bedlam of this phenomenon known as "cruisin' Brice"

FYI

This years show has come and gone. Except for the rain it turned out great. Thanks to everyone who worked. October's meeting will be at Moss Wright Park shelter No. 3. We will have a picnic. The club will supply the meat so we need everyone else to bring a covered dish. We will eat at 12:30 and the meeting starts at 2:00 p.m. There is a playground at the shelter so bring the kids. Hopefully it will not rain. The park is located on Caldwell drive in Goodlettsville.

According to the clubs by-laws that were voted on and approved at the February 2000 meeting October is the month that we will be taking nominations for new club officers. I have enjoyed being president for the past year, but it's time for me to step down. Please come to this very important meeting and consider being an officer. Elections will be in November and the new officers take office on January 1st.

Also membership dues are due by December 31st 2000. They are \$24 for the year but if you joined at this year's car show you are good through December 2001. Don't forget about the \$25 door prize, but you have to be present to win.

Craig Satterfield, President
