Exhaust Notes

If you were not there, you missed a great January meeting!

Several topics were discussed during the meeting including the following:

Stan Hardcastle updated us on the status of the Pinkerton Park site for our show. It looks like we will be back there this year, but we are still waiting for the meeting to approve our application. The January Meeting was cancelled because there was not a quorum. We are currently waiting for notification of when the meeting will be rescheduled.

John updated us on the effort to have our show listed in *Mopar Collectors Guide Show Map*. Our show will be on the map and we will advertise our show in the July and August issues of the magazine. These are the months just prior to our show and also the months of the Carlisle All-Chrysler Nationals and the Mopar Nationals. There are lots of free issues of the magazine are given away at these two events.

The suggestion was made to get our website tied into the Mopar Web Ring. We will check into possibility.

There was some discussion about show sponsors. We currently do not have a major sponsor but we are investigating several leads. Remember that it is never too early to start working on show sponsors, both minor and major.

Our February meeting will be held on Sunday, February 26th, at Hooters in Rivergate. Meet and greet starts at 12:30 and the meeting begins a 2:00 P.M. This is our annual By-Laws review meeting. If you have any suggestions for changes, be sure to attend. Hunters Auto Expo is March 10th, 11th & 12th. If you are interested in entering please let us know so we can contact Linda at Hunters about parking together. If you are not able to enter please try to attend the show. They have a great show and are a great sponsor of our show. Please support them if possible.

Please remember to keep longtime member Carl Harvey in your prayers.

Check out our web-page www.musiccitymoparclub.com. We will have stories and Mopar related info every month. Check back monthly to read some cool Mopar related stuff.

Your President, John Sanderson

I have a '74 Duster and replaced the original 318 engine with a cop 318 from a '87 Diplomat (also replaced the 904 with an 833). I have stuff left over from the swap that I am willing to give to anyone who wants it. Included in the grab bag are the original 318 (2-bbl) (134 k miles, needs rebuild) and various parts from the '87 Diplomat (oil cooler, trans cooler, cold air package, exhaust manifolds, a/c brackets etc.) I realize my stuff does not have much value in the grand scheme of all things Mopar, I am short on storage space and would rather give the stuff to someone who may have a use for it rather than take it to the dump. Please call Greg Faulk at (615) 662-1243 if you have any questions.
