Exhaust Notes

Those of you who didn't make it to the meeting at the Chrysler Classic Show missed a great outing! The weather on Saturday was perfect; there were lots of beautiful Mopars, and plenty of drag racing to boot. I want to thank everyone who made our April meeting and hope that all had a great time.

Several items were discussed at the meeting. First, it was decided that Carl Harvey's membership number would be retired and also that the Truck, Best of Show Trophy, would be presented in his name as a tribute to his work as the club's "Good Will Ambassador".

Next we discussed our upcoming club show. The ads, in Mopar Collector's Guide, are being finalized and will appear in the two issues before our show. These are the issues they distribute at both Carisle and at the Nationals, so they should be seen by lots of folks. Remember that it is not too early to be out checking on sponsors, selling class trophies, and looking for door prizes and goody bag stuffers. We also still need a major sponsor for the back of our show shirt. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask!

Lastly, we decided to have the May club meeting at the Murfreesboro Cruise In, but this **HAS BEEN CHANGED** because the MHRC lost their cruise in site at the last minute, and they are currently trying to secure a new venue. Our meeting will now be held on Saturday, May 20, at 5:00pm, at the Back Yard Burgers Cruise, in Franklin. Should the cruise in be canceled due to rain, the club meeting will be moved to the next Saturday, May 27, at the same location. To get there, take I-65 to Exit 65, the Franklin exit. Turn toward Franklin, and go approximately .5 miles and turn left, Back Yard Burgers will be on your right as will be the cruise in site. This is immediately in front of the Kmart store. Hope to see you all there!

Be sure to read the appreciation note from Janice Harvey that is in this newsletter and keep her in your prayers.

Your President, John Sanderson

For Sale, Carl Harvey's 1971 Dodge Adventurer 1/2 ton pick-up truck, 318 V8, 727 automatic transmission, power steering, and air conditioning. The truck features a sliding rear window, bench seat in great condition, carpeted floors, as well as dual exhaust. This truck is in mint condition inside and out, and has no rust and no dents. The color is a Bronze Metallic and is the correct color for the model year. The truck was used mainly for cruising around on weekends, has been in numerous shows and parades, for the past 15 years. This truck is as solid as any you'll find. I have ridden in the truck from Murfreesboro to an east Tennessee Mopar show and know first hand the truck handles like a sports car, steering is tight, and the motor is responsive. This truck has never sat any length of time without being driven and has been kept under a carport with a cover or inside a building with a cover when not in use. Within the past year the truck has attended a few shows and a parade so the buyer will not have to worry about seals, gaskets, belts or hoses. The paint is basecoat - clearcoat and there is minor peeling on the hood but the truck looks fabulous. I have restored a 70 model 1/2 ton and know the cost, and mine is not the quality of restoration as this truck, but I still spent at least double the asking price of \$7000.00, and as you can see this is a turn-key truck, you have nothing to do to the truck to make it road worthy, just get in, drive, and enjoy. You may call me, Bubba Storey, at 931-381-6590 in the evenings till 8:30pm CST for details or Janice at 931-294-2971. I have photos by request via email. (05/06)
