Exhaust Notes

First, a big Thank You, to those of you who helped to make our 17th annual car show a big success. Even with our wild weather, we had over seventy entries, with one couple coming to the show from Canada. Our show would not have been possible without our members and their spouses, who volunteered to work registration, parking, classification, judging, and all the other things it takes to run the show. A special thanks goes to those of you who came early and stayed late to help us setup and tear down the show.

On Saturday, October 7, we had a dealer show at **Hansen Chrysler-Jeep** to help them celebrate their 20th year in business in Nashville. We had 28 cars sign in at the show and another 4 or 5 cars that showed but didn't sign in. The "People's Choice" awards were chosen by whoever picked up a ballot and selected a car number. They were tabulated by Hansen personnel and awarded as follows..... Dean Stronsky's '69 Dodge Charger, Brad Biter's '68 Dodge Charger, Paul Dale's '65 Dodge Coronet, Jack Stone's '67 Dodge Coronet 500 and George Roland's '70 Plymouth Superbird. Congratulations to all! I feel that everyone had a good time, and the Hansen people indicated that they would like us to do it again next year.

Our October meeting will be at Oktoberfest in Lebanon on Sunday, October 22nd., at 2:00 pm. This meeting will be for Officer Nominations for 2007 and we will discuss Pinkerton Park as well as other potential locations for our 2007 Show as well as how we can participate with the Music City Motorplex next season.

Looking forward to seeing you there,

Your President, John Sanderson
