Exhaust Notes

Our meeting at Octoberfest in Lebanon was well attended, although the weather on that Sunday turned cold with a wicked breeze. David Denny had the best plan, have the meeting by your truck, and stay in the truck out of the wind. Smart guy! The car show at Octoberfest was once again fantastic, with all types of cars and trucks represented. Thanks to all of you who attended.

Due to the weather and the car show, we kept the meeting brief. Discussions included talks with the Music City Motorplex about car shows and events at their facilities, talk of location for next year's show, and nominations for next year's officers. The folks at the Motorplex plan on hosting a meeting for all the Nashville area car clubs to discuss their plans and we will attend to see what they are planning. Some discussion has taken place on the possibility of relocating our show to the Lebanon Fairgrounds next year, and the suggestion was made to go over and look at the fairgrounds as a possible show site, which we did. We will discuss this at our next meeting. Chuck Vaughn offered his classroom for our November meeting, and it was accepted. Finally, nominations were made for next year's officers, they are as follows:

John Sanderson - President
Bubba Story - Vice President
Stan Hardcastle - Events Director
Wayne Hall - Treasurer

They will be voted on at the November meeting, which will start at 2:00 P.M.

Our November meeting will be held on Sunday, November 19th, at Glencliff High School, at 160 Antioch Pike. Directions from Nashville; take I-24 East toward Chattanooga to Exit 54, Briley Parkway - West, toward Nolensville Road. Turn left at the first light, which is Southlake. Go to Antioch Pike and turn left. The school will be on the left. The meeting will be behind the school in Chuck Vaughn's classroom, which is across from the tennis courts. Chuck teaches auto mechanics at Glencliff and we appreciate the use of his room.

Looking forward to seeing you there,

Your President, John Sanderson
