## Exhaust Notes

Thanks to everyone who made our January meeting at Hooter's. It was well attended and it was good to see everyone had a good time.

Our business meeting started out with a reminder of two upcoming events, the Indy Swap Meet on March 4<sup>th</sup> & 5<sup>th</sup> in Indianapolis, IN, and the Hunter's Custom Automotive Show on March 8<sup>th</sup> & 9<sup>th</sup> here in Nashville. Last year we had twelve club members attend the Indy swap meet and it was a blast. There were two buildings full of big national vendors and individual vendors selling about everything. Everyone spent the day in search of that special treasure to finish their project.

Next we moved on to a discussion of our 2007 car show. The first thing discussed was trying to get our show back onto the *Mopar Collector's Guide* Mopar Show Planner. The club voted to try to get back on the calendar as we have moved our show site. Cost for this last year was about \$700. Next, Stan informed us that he had been in touch with Dugger the DJ, and that he would be happy to work our show, and Wayne said he had lined up a host hotel for our event. Dale McDaniel said that Brother Pig would be happy to be the food vendor for the event, and let me tell you from past experience, that's a lot of work. Dale said he would also try to help us if we decided to have the Saturday night dinner for the show participants.

Stan followed up on a request to see about getting some club golf shirts made up with the club logo on them. He said he has found a vendor who will do the shirts for \$25.00 each and will also add your name opposite of the club logo for an additional \$7.50. There may be an additional charge of \$2.00 to \$3.00 for XXL and XXXL sizes, but Stan was not sure. The color discussed was Royal Blue and Stan said we need to order a dozen at a time.

It was decided we would have our February meeting on Sunday, February 25<sup>th</sup>, at Hooter's in Rivergate. This will be the annual by-laws meeting, so review your copy and be ready to discuss any changes. Meet and greet at 1:00PM with the business meeting starting at 2:00PM. SEE YOU THERE!

Your President,

John Sanderson
