Exhaust Notes

Thanks to everyone who made our February meeting at Hooter's. It was well attended and it was good to see everyone. It has been a busy time since the last meeting, with a trip to Indy and the Chrysler Performance Trade Show & Swap Meet, and the Hunter's Custom Automotive Show. The Indy meet was great and we had 9 members who made the trip. With two buildings full of mopar parts, I think we all left with some little treasure. We talked with the *Mopar Collectors Guide* folks and found out we are to late to get back in the show planner for this year. They said they would get back with us on what other possible things we can do to et our show and new location out there.

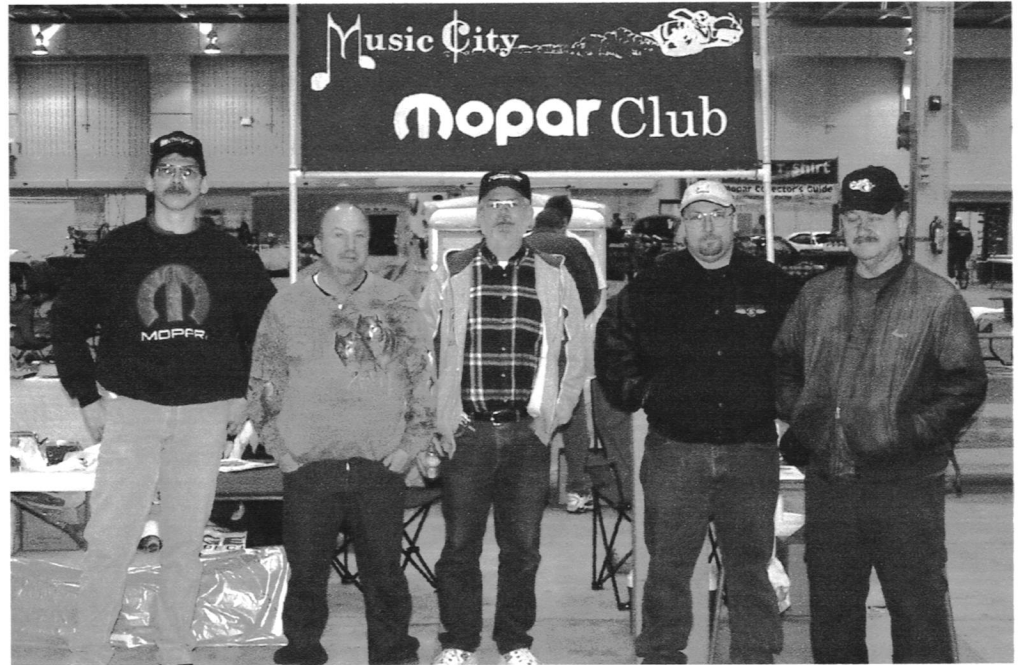

The Hunter's show was good with lots of nice cars of all types there. We had 4 club members with cars in the show and we want to thank them for representing our club at the show. On Sunday, we presented the Club's Member Choice Award to William Rutledge of Gallatin, TN. His Red 1950 Chevrolet Cab-Over Pick-up is one of a kind! The stretched cab and bed rides atop a late model truck chassis and features all the comforts of a new vehicle. The pictures he had of the build were incredible and the creativity and workmanship of the truck were outstanding.

It was decided we would have our March meeting on Sunday, March 25th, at Glencliff High School, at 160 Antioch Pike. Directions from Nashville, take I-24 East toward Chattanooga to Exit 54, Briley Parkway-West, toward Nolensville Road. Turn left at the first light, which is Southlake. Go to Antioch Pike and turn left. The school will be on the left. The meeting will be behind the school in Chuck Vaughn's Classroom, which is across from the tennis courts. Meet and greet at 1:00PM with the business meeting starting at 2:00PM. Bring a snack to share. SEE YOU THERE!

Your President,

John Sanderson
