Exhaust Notes

Thanks for the great turnout at our March meeting at Glencliff High School. The weather was good and everyone had a good time checking out other member's rides and all the goodies in Chuck's shop. Of late, it seems that the best turnout for our meetings has been at Hooter's or at Glencliff. Special thanks to Chuck Vaughn for letting us use his location for the March meeting!

Our first order of business was a discussion of what the membership wished to do about an ad in *Mopar Collectors Guide* for our car show. Although we are too late to make the show calendar, it was decided that the club would run a half page black and white ad in the magazine in the two months prior to our show. These are the issues, which are distributed at the "Chryslers at Carlisle" and the "Mopar Nationals" events just prior to our show, and will help us to get our show date, and our new show location out to the Mopar public. John asks club members, if possible, to make a small donation to help defray the cost of the ad. Several donations were received at the meeting and any other donations can be sent to the club c/o Wayne Hall. Stan will be in touch with Shirley Kavtek, at *Mopar Collectors Guide*, to get everything going. Rich Nossel has agreed to do our ad layout at no charge. His ad layout will give our ad a truly professional look. Thanks Rich!

Next, Chuck Vaughn took the floor to discuss an online petition asking the owners/operators of the Nashville Superspeedway (Dover Motorsports, Incorporated (hereafter DMI)) to finish planning and begin construction of a planned ¼ mile dragstrip at the current Nashville Superspeedway facility. As the Mopar faithful have long supported drag racing, and the Nashville area needs a high quality ¼ mile dragstrip to help draw both local and regional events, he ask that all our club members sign the petition. The suggestion was made to add a link to our website to make it easier for our members to access the petition. This suggestion will be forwarded to the Webmaster. The petition is at: <http://www.petitiononline.com/nashdrag/>

Finally, it was decided that the April club meeting would be held at the 2nd Annual Chrysler Classic at the Beech, at Beech Bend Raceway, in Bowling Green, KY. With warm weather returning (I hope), this will be a great opportunity for us to get our cars out and enjoy lots of other great Mopars too. We had last years meeting at this show, and the weather and the show were both outstanding. The meeting will be held on Saturday, April 21, at 2:00 PM., in the Fun Field.

Your President,
John Sanderson
