## *Exhaust Notes*

Thanks to everyone who made the meeting at the Murfreesboro Cruise-in. As usual, there were lots of cars of every make, model, and description to look at and the weather was nice. Stan Hardcastle, Keith Petitt, and Bill Cook were absent as they were off judging at another *Chrysler Classic* event in Ohio.

We received a request from BJ Lowery at Duck River Speedway about the possibility of us participating in a Mopar night at their track. After some discussion we decided to decline the invitation for several reasons such as distance to the speedway and the fact that the race track is a dirt facility. Some questions were asked about scheduling of a Mopar Night at the Music City Motorplex. As far as we know, that facility has not scheduled an event for this year but several members expressed interest in going if they do. Everyone who made the event last year had a great time. The meeting moved on to some discussion of our upcoming car show and of our ongoing preparations.

Our June club meeting will be held on Sunday, June 24, at 2:00 pm, at the 1<sup>st</sup> Annual ***SummerFest and Antique Car Show*** presented by Wilson County Bank & Trust, in Murfreesboro. We decided on this location as our original plans had us having our meeting on Father's Day, June 17, and we felt that might cut into our member's family time. SummerFest will feature 7 entertainment acts in bluegrass, country, gospel, clogging, and jazz; more than 150 antique cars on display; and inflatables and a petting zoo for the children. The event is free and open to the public. Directions to the site are in the newsletter. Hope to see you all there, and bring your cars!

Unless there is some objection at the meeting, our July 24<sup>th</sup> meeting will be a picnic to be held at our show site at the Wilson County Fairgrounds in Lebanon.

Finally, we are sorry to hear that Ronnie Holland's wife, Pat, is sick and in the hospital in Nashville. Please keep Pat, Ronnie, and his family in your prayers.

## *Music City Mopar Club Members*

Our 2007 show is fast approaching, now only three months away, and it is time for us to all get busy getting ready for the show. This means you may be trying to finish your car, upgrade some feature, or trying to fix some problem on your car that you have just discovered. The work on your car is never done! For the *Club*, this is a busy time too, as we begin to prepare for the show. As you know, it will take somewhere between 5 and 6 thousand dollars to put on the show. This includes the cost of trophies, dash plaques, t-shirts, security, insurance, and other small expenses. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by helping to selling class sponsorships. If you know of a business that would like to sponsor a class please contact them or if you can sponsor a class it would be a great way to support the club. The cost is only \$75. Another way to help is by contacting local businesses about contributing door prizes or goody bag stuffers. You can enter the show even if you do not have a car ready to show for only \$20. You will get a free show shirt if you are one of the first fifty pre-entries. This is a great way to support the club. You can help the day of the show by volunteering to work at the show. We need people to work registration, park cars, park vendors, and be judges. None of these jobs are hard and with more members involved it will make it easier on everyone.

Thanks for your support,

Wayne Hall - Treasurer, MCMC
