Exhaust Notes

Well the Mopar Nationals are history for yet another year, and for those of you who didn't make it, the show and swap meet were great. The weather was good with temperatures in the mid 80's, a relief from the 100's around middle Tennessee, and grass and crops were a funny color, GREEN. Stan Hardcastle had an *Air Camber* set up in a tent in the judging area and he and Keith Pettitt also were judges. Other members in attendance included John Sanderson, David Denney, Ken Martin, David Bolinger, Lester Bentley, Phillip Moore, Jerry Dempsey, Richard Dale, and Ron Gillespie. (Hope I didn't leave anyone out!) I think everyone came home with something, from a vehicle to that odd part or new catalog. Special thanks go to Chef David Denney for the burgers and dogs he served us for lunch. They were great!

Our July club meeting was held at our show site at the James E. Ward Agricultural Center at the Wilson County Fair Grounds. This was a club picnic, and with the weather cooperating, we had a great turnout and a good meal. Thanks to David Denny and Dale McDaniel for providing the meat and cooking, and everyone for bringing a dish or drinks to round out our menu.

Our meeting got started with a discussion of upcoming car shows and events and then moved on to a discussion of our September show. We again went over our plans and ask everyone present to inspect our new show site and give us any suggestions they might have on setup for the show. Our club members requested we have the August meeting back at our show site at the Wilson County Fairgrounds, but after checking, the entire facility will be in use for the Wilson County Fair. As a backup, it was decided we would go to the MHRC Cruise-In in Murfreesboro for our meeting. Therefore, the meeting will be on Friday, August 24 at 7:00pm at the MHRC Cruise-in in Murfreesboro. (Directions on page 2)

Remember, our show is next month, and we still need your help securing sponsors, door prizes, and goody bag stuffers. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask! We also need volunteers for parking cars and vendors, registration, and judging. The more people involved, the easier it will be on everyone.

Attention

Music City Mopar Club Members

Our 2007 show is fast approaching, now only one month away, and it is time for us to all get busy getting ready for the show. Including the cost of trophies, dash plaques, t-shirts, security, insurance, and other small expenses, it cost between 5 and 6 thousand dollars to put on the show. We are receiving several calls about the show and have already received several pre-entries. Our sponsors are once again helping us with our class sponsorships and door prizes, but we are not there yet. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by helping to selling class sponsorships. If you know of a business that would like to sponsor a class please contact them or if you can sponsor a class it would be a great way to support the club. The cost is only \$75. Another way to help is by contacting local businesses about contributing door prizes or goody bag stuffers. You can help the day of the show by volunteering to work at the show. We need people to work registration, park cars, park vendors, and be judges. None of these jobs are hard and with more members involved it will make it easier on everyone.

Thanks for your support,

Wayne Hall - Treasurer, MCMC
