## Exhaust Notes

Our August meeting was held at the MHRC Cruise-In in Murfreesboro, and boy was it hot! Even at 7:00 pm, when the meeting started, it was still in the mid 90's, in the shade. It didn't only affect us, but it appeared that the attendance at the cruise-in also suffered. I appreciate all of you who venture out in the heat and hope you had as great a time as I did.

As our show is now less than a month away, you can bet the meeting was nearly completely dominated by the discussion of the show, and it was. As the meeting began, it was brought to our attention that the club's Banner, which is 8 to 10 years old, has become rather tattered and needs to be replaced. After looking at some different designs and color schemes, the members voted to replace our banner with new 2 sided version. The cost will be approximately \$300.00, and we will pass the hat at our next meeting to help to deter the cost.

We next went over our plans and how we have progressed to date. First, we will probably have a dyno at the show, as the insurance question seems to have been answered. Next, Dale McDaniel is set to be our food vendor at the event. Dugger the DJ has been in contact and he is set to be there to provide our entertainment. The TDOS has been in touch and want to meet us at the show site to discuss where they are going to set up. There was again some discussion of drive-thru judging, but this is still up in the air, as the logistics have to be solved.

Our next meeting will be our "Goody Bag Stuffing Extravaganza" on Sunday, September 16<sup>th</sup>, at David Denny's house. David plans to cook and will provide the meat but we need to bring a covered dish, drinks, or a deserts. We will start stuffing our faces at 1:00pm and start stuffing the goody bags about 2:00pm. Please remember to bring anything you have rounded up in the line of door prizes or goody bag items.

Remember, our show is next month, and we still need your help securing sponsors, door prizes, and goody bag stuffers. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask! We also need volunteers for parking cars and vendors, registration, and judging. The more people involved, the easier it will be on everyone.

Also, we understand that the wife of Dennis Hansen, of Hansen Chrysler – Jeep, is very sick and hospitalized. Please remember her in your prayers.

See you Sunday at the meeting!

## **Mopar Market**

# *Attention*

## *Music City Mopar Club Members*

Our 2007 show is here, less than three weeks away, and it is time for us to shift into overdrive, as we get ready for the show. Including trophies, dash plaques, t-shirts, security, insurance, and other small expenses, it cost between 5 and 6 thousand dollars to put on the show. We are receiving several calls about the show and have already received several pre-entries. Our sponsors are once again helping us with our class sponsorships and door prizes, but we are not there yet. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by helping to selling class sponsorships. If you know of a business that would like to sponsor a class please contact them or if you can sponsor a class it would be a great way to support the club. The cost is only \$75. Another way to help is by contacting local businesses about contributing door prizes or goody bag stuffers. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask! You can help the day of the show by volunteering to work at the show. We need people to work registration, park cars, park vendors, and be judges. None of these jobs are hard and with more members involved, it will make it easier on everyone.

Thanks for your support,

Wayne Hall - Treasurer, MCMC

## *Directions to David Denny's House*

From Nashville, Take I-40 East to Hwy. 109 South (exit 232). Go approximately 3 or 4 miles to S.R. 840. Take 840 and go towards Chattanooga approximately 2 miles to Stewarts Ferry Pike (exit 70). Go east on Stewarts Ferry approximately 1 mile to Moccasin Road and turn right. Go about 1000 ft., cross a small bridge, go past the dead end sign, past the two rock columns and his log house is on the right.
