Exhaust Notes

Thanks to everyone who made our November club meeting at the Caney Fork Fish Camp. Everyone there was impressed with the restaurant, the meeting room was nice, and the location in the Opryland area, seems to be much more convenient to our widespread membership. I would think that we would probably have more meetings at their restaurant.

Much of the discussion at the meeting was directed at how we can get word of the dates of our show out to the public. The last two years we have ran ads in *Mopar Collector's Guide* but we have been unable to confirm if it has helped our attendance. With a late December deadline for the ads, and after some discussion, the membership decided to not run the ads in the magazine this year feeling that money may be better spent elsewhere. We are still very interested in any ideas that the membership might have that would help us get news of our show out to the Mopar masses.

As a matter of note, the "13th Annual Chrysler Performance Trade Show and Swap Meet" will be held at the Indiana State Fairgrounds in Indianapolis, IN., on March 1-2. As this show is usually attended by a large group of our members, the club will have a vendors spot at the meet. If you have something you would like to sell or if you are at the meet and need somewhere to park your newfound treasures, this might be the place! Remember, this is a great swap meet, it is inside, and at a time of the year when we are all getting tired of staying cooped up at home. Make your plans now and get with a group and come on up.

Finally, by acclamation, we re-elected our 2008 officers as follows: John Sanderson, President, Bubba Storey, Vice President, Stan Hardcastle, Events Director, and Wayne Hall, Treasurer.

Our December Christmas Party/Dinner/Meeting will be held on Sunday, December 16, at David Denny's house. Meet and greet starts at 12:00 noon and we will eat somewhere around 1:30 pm. Everyone is asked to bring a covered dish, a dessert, soft drinks, ~~et.~~ ^{or} to lessen the load on our host. The club will furnish the meat and bread. Please try to join us for fellowship, a good meal, and the great stories of the one that got away, you know, the Hemi Charger in the barn!

Also, Rob Dorfman, a long time friend of the club, better known as "Uncle Rob, the MoPaint Guy", has been very ill. Please keep him in your prays for a speedy recovery.

See you Sunday at the meeting! Be There!
