## *Exhaust Notes*

Thanks to everyone who made our March club meeting at the Caney Fork Fish Camp. With spring coming, I am sure we will be going to other venues, but we probably need to keep this one in mind too. It seems our meetings here have been well attended.

As the meeting got under way, John passed around a sales brochure on the new Dodge Challenger. The members present would like to apologize to John for the condition of the brochure upon its return to him. Perhaps a good ironing will return it to its condition before all of the uncontrollable drooling!

First, some great news! John reported that he and Lester Bentley had made a visit to Nashville Dodge and they have committed to help sponsor our 2008 car show. We are always pleased to have an area dealer involved in our show and we always try to help them by having one or two car displays at their dealership to help them promote their business and our hobby. We hope to do one of these displays soon, possibly Saturday May 3<sup>rd</sup>, but this date is tentative and subject to change for now. Please try to keep this date open and watch our website for more information. Let's try to make their dealership look like it might have looked in the late 1960's or the early 1970's. Special thanks to Lester Bentley for his hard work on helping us find this sponsor.

Next, Wayne Hall gave us a quick financial report and it appears that currently, all is well. Lester Bentley then took the floor to talk about a proposed cruise that might be coming to the Providence Shopping Center in Mt. Juliet and the possibility of club support for the event.

Last month, the club voted to donate \$500.00 to the Rainbow / H.A.T.S. organization and we were honored to have some representatives of the organization present at our meeting. Rainbow Director Jessie Hines, Assistant Director Nichole Smith, and H.A.T.S. Director Dave Harrell each took a moment to express their appreciation of the club's donation and to explain their work with special needs children both in the home and at their center. All the members present were glad they came.

We also had a new member present at the meeting and we were all glad to welcome Jack Hooper to the club. Jack lives in Murfreesboro and has a couple of 1963 Plymouth Sports Fury's, and we look forward to seeing them soon.

Finally, the membership voted to have our April meeting a week early at the "3<sup>rd</sup> Annual Chrysler Classic at the Beech" event at Beech Bend Park in Bowling Green, Ky. Our meeting will be on Saturday, April 19<sup>th</sup>, at 2:00 pm in the fun field. This will be the third year we have had our April meeting at this show and it has grown each year. They have a nice field of show cars, a swap meet, and great drag racing. For more information on the show check them out on the web at [www.ccevents.com](http://www.ccevents.com).

Get your car out and come on up and enjoy the show, the racing, and attend the club meeting.

See you on Saturday at the meeting!
