Exhaust Notes

Thanks to everyone who attended our April club meeting at the *Chrysler Classic at the Bend*, especially since the weather did not cooperate with us or the show sponsors. Early on it looked like it might be a partly cloudy day, but by 10:30 am, it was misting rain, the wind picked up, and it turned cool. I am sure that the weather had a lot to do with the low turnout of show cars at the event. The drag racing event was still well attended and wrapped up in good weather on Sunday. Stan Hardcastle, Keith Petitt, Bill Cook, Fred Cook, and Ron Gillespie were all involved in judging the show cars. Special thanks to Lisa Leatherly, of the *Chrysler Classic*, for letting the club use their tent while we conducted our club meeting. Again, thanks to everyone who made the meeting and I hope everyone had a good time.

The meeting was kept short so everyone could enjoy the show, or in some cases, get in out of the weather and get warm.

The meeting started with some bad news! Nashville Dodge has backed out as a sponsor of our show. It seems that between the time that John and Lester made their visit and received the dealer's commitment, and Lester returned to confirm our show at their dealership, there has been a change in management and the new management is not interested in supporting our show. Lester again presented our shows program and requirements to the new management, and discussed the ways we could benefit them, but to no avail! With that said, we are back to looking for a sponsor.

There was little other discussion except on where the May club meeting would be. Thanks to Craig Satterfield, it was decided that the meeting would be held on Sunday, May 25th, at McGavock High School in the Auto Paint and Body Area. Meet and greet starts at 1:00 pm and the club meeting will start at 2:00 pm.

See you on Sunday!

Attention

Music City Mopar Club Members

Our 2008 show is fast approaching, now only four months away, and it is time for us to all get busy getting ready for the show. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by helping to selling class sponsorships. If you know of a business that would like to sponsor a class please contact them or if you can sponsor a class it would be a great way to support the club. The cost is only \$75.00 and they get their name on the class trophies, their names announced during the show, and their name in our Advertiser's Directory. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask!
