## *Exhaust Notes*

Thanks to everyone who attended our June club meeting at the Caney Fork Fish Camp. As usual, we had a quiet meeting room, a great meal, and wonderful fellowship. Once again, I must say that attendance at the meeting was light. It has me wandering if attendance is off due to the location of the meeting, vacations, the economy and gas prices, time or day of the week, or perhaps even being inside in the summer. Any ideas on this would be appreciated.

The meeting got started on time and the first order of business was to congratulate Bill Cook on having his Demon on the Flashback portion of MuscleCar TV, and Stan did a good job of explaining the car. (We have been telling Stan for a long time that he wouldn't break the camera.) We also want to congratulate Harold Baker on winning Best Mopar with his beautiful black 1964 Plymouth at the Good Guys Show in Nashville. On a sad note, John mentioned that NHRA drag racer, Scott Kaletta, was killed in a crash at Englishtown raceway on Saturday before the meeting. NHRA has since started racing all Nitro classes on a 1000 ft track to reduce speeds, blown motors, and increase the braking area. Let's hope this helps! We are still looking for a show sponsor, but no solid commitments yet. Richard Price suggested we put together a portfolio or a plan on what we can do to help the dealer or dealers that sponsor our club.

Don't forget the MOPAR NATIONALS are next month. I have heard from many members who say they are planning on going; lets' try to get together and perhaps have some group activity when we get there.

The membership decided to have our July club meeting at the Mt. Juliet Cruise-In. The meeting will be on Saturday, July 26<sup>th</sup>, at 7:00 pm. The cruise is located in the Providence Marketplace, behind Chick-Fil-A. There may be an area for club member rides, but that's not know for sure at this time, Directions to the meeting are in the newsletter.

See you on Saturday and bring your Mopar!

## **Music City Mopar Club Members**

Our 2008 show is fast approaching, now only two months away, and it is time for us to all get busy getting ready for the show. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by helping to selling class sponsorships. If you know of a business that would like to sponsor a class please contact them or if you can sponsor a class it would be a great way to support the club. The cost is only \$75.00 and they get their name on the class trophies, their names announced during the show, and their name in our Advertiser's Directory. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask! Remember, we are also looking for volunteers to help out during the show. Help with registration, parking, vendors, judging, and set up and tare down are needed. The more help we have, the easier it is on everyone.
