Exhaust Notes

Our August meeting was held at the Mt. Juliet Cruise-In at the Providence Marketplace in Mt. Juliet. The meeting was well attended, the cruise was also great, and even the weather was good! I appreciate all of you who ventured out and hope you had as great a time as I did.

As our show is now less than a month away, you can bet the meeting was nearly completely dominated by the discussion of the show, and it was. As the meeting began, John announced that Rob Wolfe had informed him that the *Mopar Collector's Guide*, one of the premier Mopar publications, was planning on being at our show. This is quite an honor and a wonderful opportunity to showcase our club and our cars. With this in mind, let's make sure we get the word out to all of our friends with Mopars who are not in the club and all the other area Mopar clubs to bring out their cars too. You never know, you might see your car in the magazine.

We next went over our plans and how we have progressed to date. First, David Denny said he has a food vendor lined up to handle that responsibility at our show. Next, there is some question whether Dugger the DJ will be available to provide our entertainment, and we are checking into this. The question was asked if the dyno would be back at the show, the answer, we don't know? There was again some discussion of drive-thru judging, but this is still up in the air, as the logistics have to be solved. Last, Frenley CJD has indicated they will have several vehicles and sales personnel at the show.

Our next meeting will be our "Goody Bag Stuffing Extravaganza" on Sunday, September 21st, at Lester Bentley's house. Lester plans to cook and will provide the meat and buns but members need to bring a covered dish, drinks, or a deserts. We will start stuffing our faces at 1:00pm and start stuffing the goody bags about 2:00pm. Please remember to bring anything you have rounded up in the line of door prizes or goody bag items.

Remember, our show is next month, and we still need your help securing sponsors, door prizes, and goody bag stuffers. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask! We also need volunteers for parking cars and vendors, registration, and judging. The more people involved, the easier it will be on everyone. We will have a sign up sheet at the meeting.

See you Sunday at the meeting!

Attention

Music City Mopar Club Members

Our 2008 show is here, less than three weeks away, and it is time for us to shift into overdrive, as we get ready for the show. Including trophies, dash plaques, t-shirts, security, insurance, and other small expenses, it cost between 5 and 6 thousand dollars to put on the show. We are receiving several calls about the show and have already received several pre-entries. Our sponsors are once again helping us with our class sponsorships and door prizes, but we are not there yet. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by helping to selling class sponsorships. If you know of a business that would like to sponsor a class please contact them or if you can sponsor a class it would be a great way to support the club. The cost is only \$75. Another way to help is by contacting local businesses about contributing door prizes or goody bag stuffers. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask! You can help the day of the show by volunteering to work at the show. We need people to work registration, park cars, park vendors, and be judges. None of these jobs are hard and with more members involved, it will make it easier on everyone.

Thanks for your support,

Wayne Hall - Treasurer, MCMC
