Exhaust Notes

Great weather once again blessed *Oktoberfest* and our October meeting. With over 300 cars and trucks of every make and model on display, great food, and entertainment, there was something there for everyone. Congratulations to Wilson Bank for another great *Oktoberfest* and thanks to all our members who made the show and the meeting!

As this was our nomination meeting for club officers, we got this handled first with the following results:

John Sanderson - President
Jack Stone - Vice President
Stan Hardcastle - Events Director
Wayne Hall - Treasurer

They will be voted on at the November meeting, be there! With all of the positive comments on our show site at the Ward Agricultural Center, we have again taken steps to secure the site for next years show. Once again, thanks to everyone who helped to make our show a great success! Other discussions involved talk of replacing our club trailer with a larger twin axle model. Our old trailer is in excellent condition, but we have very much outgrown it. Hopefully we can find an 8' X 20' or larger model we can work a deal on. We also talked about the possibility of purchasing an amp and speakers for uses at club events.

Bill Cook, Ron Gillespie, Stan Hardcastle, and Lester Bentley went to the *Mopars with Big Daddy* show in Ocala, Florida. Great weather, (after all it is Florida,) over 250 cars, and a great group of vendors made the show great!

Our condolences go out to Richard Price and his family on the death of Richard's father, Ralph Price. Ralph was a club member and a great guy. He will be missed. Please keep Richard and his family in your prayers.

Our November meeting will be at the Caney Fork Fish Camp in Nashville, TN on Sunday, November 23rd. This meeting will be to affirm our officers for 2009 and I am sure you will want to attend. Meet and greet, (eat if desired) starts at 12:30 pm, with the meeting following at 2:00 pm. Check out the restaurant and a menu at www.caneyforkfishcamp.com.

See you Sunday at the meeting!
