

Greetings fellow Music City Mopar Club members!

Our July meeting was held at The Fontanel in Whites Creek. If you have not been there lately, make it a point to visit soon. They have really been busy adding to their already impressive facility.

As some of you may know, Gary Matthews Dodge has been sold to Premier Automotive from New Orleans and is now known as Nashville Chrysler Dodge Jeep Ram. They are still our sponsor for this year and Jack Jarvis is still our contact. They will have vehicles on display at our September show. We need to support them and show them the benefit of sponsoring our club again next year.

It doesn't seem possible, but show time is almost here. Paul Reynolds will be visiting us from New Orleans again this year. He is planning on cooking for the club on Friday night. If you did not get to try his food last year, be sure to this year. Snow White in Lebanon is looking forward to our Cruise in at the Cruise in this year. They will have live music and will try to have good parking for us on Friday night before the show. They are going to display one of our show flyers to help promote the event. Thanks to Snow White.

A discussion was held about the TV raffle and the sound system for the show weekend. Ron Gillespie will go ahead and purchase the TV and store it until the show. We are planning to sell tickets at the sign-in desk in the Pavilion and at the DJ stand as well as having someone going around in a golf cart during the show. This should help increase ticket sales.

Mike Wilkins will again provide the sound system for the music and announcements during the show. He has also located some wireless speakers that the club voted to rent so we will have much better coverage on the show field without having to crank up the volume. Richard Price volunteered to provide a sound system to use with the TV in the Pavilion. Thanks for all the work guys!

Attention: Our 2013 show is fast approaching. We are receiving several calls about the show and have already received some pre-entries. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by selling class sponsorships. You can contact any local businesses about sponsoring a class or contributing door prizes or goody bag stuffers.
