

EXHAUST NOTES

Season's greetings fellow Music City Mopar Club members!

The November club meeting was held at Jim and Nick's BBQ in Cool Springs. We thank them for providing a room for us and for the good food and service. Club President John Sanderson was under the weather and unable to join us, so Vice President Mike Wilkins ran the show.

We were all glad to see events director Stan Hardcastle and his wife Denise at the meeting as they had a bad experience on I-65 when Stan's Indy pace truck blew a tire and they found the guard rail. The truck was totaled, but Stan and Denise are OK.

Wayne Hall provided an update from this year's show. Financially we are in the black with a little more accounting to do and that is always good news. We had about 125 entries this year and another good vendor turn out and great weather. This year's food vendor was Mimi's and they got really good reviews and want to return next year. They plan to bring a second trailer and a tent to help shorten the lines. Thanks to everyone for their work in making the show so successful again this year.

Nashville Dodge has agreed to be a club sponsor again in 2014. The club will present them with a plaque thanking them for their help and provide information on the exposure they get from their sponsorship to encourage them to continue with us. Several club members have spoken about the good service and discounts they received from them, so be sure to keep them in mind when you need parts and service or are looking for that new ride.

Looking to 2014, the January meeting is tentatively set for January 26th at Martins BBQ Joint in Mt. Juliet. The Indy swap meet is coming up March 1 and 2. The club will have a booth and if you plan to attend, bring your stuff to sell to the booth to raise money for that next project. The Hunter's show will be March 8 and 9 and it is never too early to get your ride on the entry list as we try to fill a room if possible. Talk to Stan Hardcastle for details. The club will be awarding a MCMC Show Choice trophy to someone at this year's show. Hunter's is a long time club sponsor, so we can use your help with show entries. The Big Easy Mopar Show will be happening March 15 and 16 in New Orleans. Several of their club members participated in our show this year, so if you feel the need for an early spring road trip, check this show out. The Good Guys Show will be back in May this year, and the club will be manning the gates again. If you have not done this, it is a great time seeing and hearing all those cool cars and talking to the people as they come in. It will be time well spent.

Mike Wilkins has talked about holding a car show judging seminar this year to help anyone interested in being a judge or to help you learn what the judges are looking at when they look at your car. We will have details to come on this, but if you are interested contact Mike.

In club news, all of the club officers have been re-elected for next year. A big thanks to all of the officers for their hard work. Events director Stan Hardcastle now has 2 assistants. Bob Mattsom and James Peach have volunteered to help Stan and we thank them for their help. If you have not renewed your membership for 2014, please do so. You can renew at the Christmas party or at the December meeting or use the form found on the club web site.

Where did the year go? We are looking forward to another great year in 2014 and hope that everyone has a great holiday season and we hope to see you all at the Christmas party. Merry Christmas and Happy New Year from the Music City Mopar Club.

Next month will be our club Christmas party at David Denney's home Sunday, December 22, 2013. Meet and greet will start at 12:00pm and eat at 1:00pm. The meeting will start at 2:00pm. The club will furnish the meat and bread. Side dishes and desserts are needed. **Please Call Linda Price @ 615-557-5214 with number in your party and what you plan to bring.** Hope to see everyone there.

Directions to David Denney's home:
