

## Hunter's Custom Auto Show

Big thanks go to our own James Peach who carried the ball on this year's Hunter's show and scored a touchdown!

Special thanks go to those who brought their cars and those who came to the show and supported the club.

We had 10 members participate in the judging seminar led by Wayne Hall, Ron Gillespie, and Mike Wilkins. This was just the first of several seminars we will have to help those who want to learn how to judge.

Linda and Johnny invited our Vice President, Mike Wilkins to present The Music City Mopar Club "Non Mopar" award from the stage. He took full advantage and used the mic to promote our upcoming show high lighting the Sunday Open Show for all the Chevys and Fords!

The award was presented to Mr. Cunningham, the proud owner of a meticulously restored 1970 Ford Torino 429 Cobra .
