

EXHAUST NOTES

THE JULY COOK-OUT & MEETING

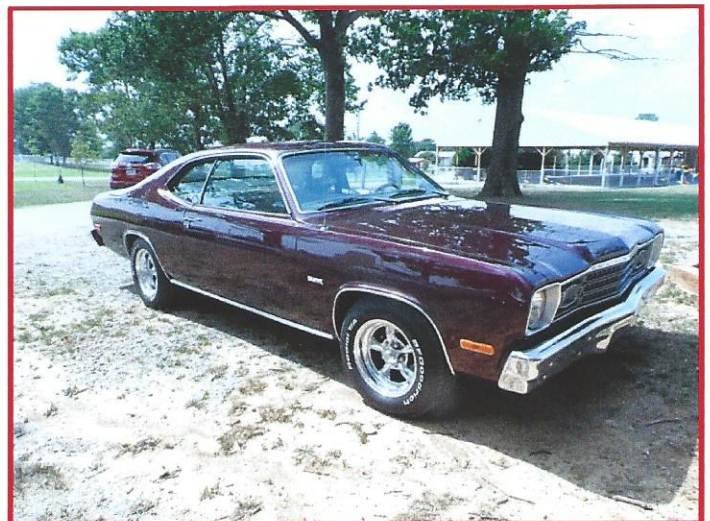

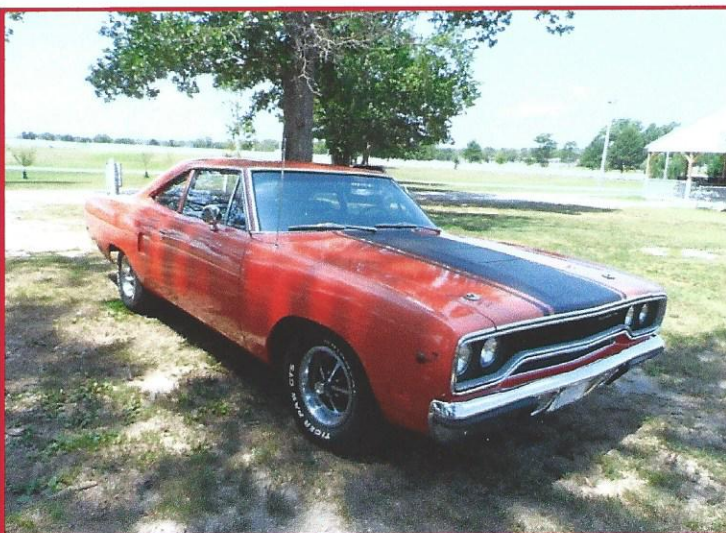

{SPECIAL THANKS TO GARY GARNER FOR PROVIDING A SUMMARY OF THE JULY MEETING}

The July meeting of the Music City Mopar Club was held July 27 at the site of the club's annual show, the Wilson County Fairgrounds in Lebanon, TN. In addition to our normal monthly meeting, we had great food! Many thanks to David Denney for bringing all of his grilling equipment and cooking up some great burgers, hot dogs, links, chicken, fries, and onion rings. Also, thanks to attending Club members for all of the great side dishes, desserts, and drinks to round out a great lunch cookout. Extra thanks to Linda Price for another good job of coordinating the side-dish items provided by the members.

Thanks to Wayne Hall for getting club members a great deal on a new book celebrating the 100th anniversary of Dodge. He should have the books ready for distribution at the next meeting.

James Peach shared a great list of upcoming shows and events, including:

- The **EAST TENNESSEE MOPAR CLUB'S 26TH ANNUAL FUN IN THE SUN SHOW** was rained out, but is rescheduled for September 20 at Chilhowee Park with all entries, registrations and fee passes still good for the new date. James has been in touch with Judy Holman, Club President, and will keep us updated on any future updates concerning that event. easttennesseemopars.com
- There is a week long gathering of Mopars in Myrtle Beach, South Carolina August 10 through 17. That event is in progress as you read this newsletter.
- The very popular **Wilson County Fair** will be having an AACA sponsored Open **CAR & TRUCK SHOW** Aug. 17. Registration is \$15.00 per vehicle; registration is from 10:00 until 1:00, judging is at the time of registration with awards at 4:00. Go to www.midtennaaca.org for more information.
- The **SHADES OF THE PAST** car show will be held in Sevierville, TN September 5 and 6 with the **GRAND ROD RUN** happening the following weekend.
- The North Georgia Mopar Club show will take place Sept. 13; more information will follow closer to show date.

Those are just a few of the shows and cruise-ins that are coming up in the next few weeks. Pick an Event, team-up with some other Club Members and take your Mopars to represent both our club and your favorite brand.

As hard to believe as it seems, we only have one more meeting before our annual show. As always,

there is a ton of details still to be worked out to insure that everything goes smoothly show weekend. The Friday night **Kruzin' at the Cruise-in** still includes the Cruise to Snow White BBQ as the destination. Upon returning to the Pavilion, we will be watching the "Snake and Mongoose" movie on the big screen TV. That should be a great way to kick off the show weekend.

A Saturday movie schedule will be presented at the August Club Meeting featuring kid friendly movies in the morning, with other movies and videos featuring Mopars shown throughout the afternoon.

Special guest Forrest Pitcock of the "Golden Commandoes" will be "Grand Marshall" for our Annual All Mopar Show on Saturday, September 27. Our Club will present him with a special plaque to show our appreciation for his efforts in making our 25th Anniversary Show special.

We plan to have two tables set up for show participants, one for those who pre-registered and one for the people who register as they arrive. In addition, we will allow the pre-registered folks the option to park first before taking care of their paper work. These two things should help speed up the arrival and parking process as we can get quite a traffic jam around the Pavilion.

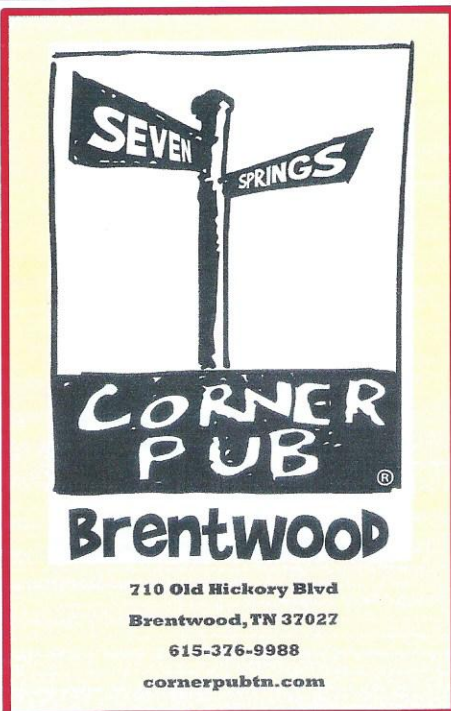

There will be more attention paid to making sure that "cars for sale" are placed in the car corral and not in the vendor area. As usual, Larry Crawford will be in charge of working with the vendors.

We still have several classes that need sponsors. The \$75 cost helps cover the cost of the three trophies that are awarded to each class. As usual, we will have our new show shirts available for \$15 and a limited number of last years' shirts for \$5.

We still need help in the judging area. We need to be sure that cars are in the correct class. Any entry with 5 or more changes from original needs to be in a modified class. Do not worry if you have never judged before. We will try to match you up with someone who is an experienced judge. We also need help organizing the judging scores after the judging is complete. This will help speed the process and make the awards ceremony begin on time and run smoothly.

Setup for the show will start at noon on Friday Sept. 26. We will have the goody bag stuffing party the Sunday before show weekend; bring suggestions for that meeting location to the August Club Meeting. We always need items for the bags and they do not have to be car related. We will try to have 150 bags ready for the show.

Finally, the next meeting will be held Sunday August 24 at the Seven Springs **CORNER PUB** in Brentwood; driving directions are provided in this newsletter. Thanks to Richard and Linda Price for securing this new place for us to meet. The Pub owners are "car guys" and would like to see us bring our rides for display. Let's bring 'em out to show our appreciation for use of the meeting room. By the way, they serve great food. Be there at 1:00 if you plan to eat and, as usual, the meeting will begin at 2:00. To view the menu go to cornerpubtn.com.

STAY COOL AND WE WILL SEE YOU ON THE 24TH.

Directions to August Meeting {Seven Springs Corner Pub}:

- From I-65 South of Nashville take Exit 74A {Old Hickory Blvd East}
- Follow Old Hickory Blvd {TN-254E} to Seven Springs on the left ~ approximately 1 mile.
- Look for Mopars

Lost and Found?

In Case You Missed It

On Sunday, July 27, Club member David Elmore's 1964 Dodge was featured on Spike TV's **POWER NATION**. Courtney Hanson did an excellent presentation of David's fantastic Mopar.

David's Dodge also received one of the "Top 25 Awards" at the 4th Annual Community Church Car Show in Hendersonville back in April of this year. Other recipients of "Top 25 Awards" included Don Wolfe {2012 Corvette}, Gary Faulkner {'69 Road Runner}, and both of Linda & Richard Price's "Lil Red Express" trucks. Mike Wilkin's red '69 Road Runner Convertible received the "Best Mopar" Trophy.

Full 2015 Challenger pricing

by David Zatz • Posted on August 8th, 2014

2015 Challenger	List Price
SXT (V6)	\$27,990
SXT Plus	\$30,990
R/T (Hemi)	\$32,490
R/T Plus	\$35,490
<u>Scat Pack</u> (392 Hemi)	\$38,490
SRT 392	\$45,990
SRT <u>Hellcat</u>	\$58,890

Dodge has set prices for the full 2015 Dodge Challenger range now, from SXT to Hellcat, but there are some caveats.

First, the 392 (6.4 liter) Hemi cars (Scat Pack, SRT 392) with manual transmission have an additional gas-guzzler tax of \$1,000. There is no gas-guzzler tax with the automatic.

The thirsty 707-hp Hellcat has a gas-guzzler tax of \$1,700 with the automatic, \$2,100 with the manual.

These list prices include the destination charge, which is \$995 to the continental United States; Hawaiians must add \$50.

The 2015 Dodge Challenger SXT lists for \$500 more than the 2014, but includes the eight-speed (boosting gas mileage and acceleration alike), the seven-inch customizable gauge cluster, dual-zone automatic climate control, LED tail lights and halo lights, and a sport-mode transmission.

The Scat Pack provides an 8% fuel economy increase with the automatic, a \$1,400 option that, when one tosses in the gas tax, becomes just a \$400 option. Dodge claims a "low four second" 0-60 time for the Scat Pack, which replaces the old SRT Core. Daniel Bennet has written about the differences between the Scat Pack and Challenger SRT 392.
