

## EXHAUST NOTES

### FROM OUR CLUB PRESIDENT:

It is April 1<sup>st</sup> as I write this month's exhaust notes. Hard to believe, but it's no April fool's joke that the first quarter of 2015 is behind us. March was indeed a busy month for our members as the 2015 show season began.

It started with several members braving the wintery weather drive to Indianapolis for the Indy Cylinder Head swap meet on March 7<sup>th</sup> and 8<sup>th</sup>, followed by the Big Easy Mopar Association and Hunters Custom Car Show the next weekend (see details on these events in Gary's meeting minutes). The next Saturday morning I saw a few of our members at the Cars 'n Coffee in Franklin. It's great to see such active participation by club members at these events!

But the **BIG** event was the March club meeting and our club's 25<sup>th</sup> Anniversary Celebration. Thanks again to David Denny for hosting this event at his home and preparing the entrees. We had a great turnout with five of the six remaining members from 1990 in attendance along with thirty other members and numerous guests. Thanks for attending and bringing out your Mopars!

April has the Coker Tire cruise-in at their museum in Chattanooga on Saturday the 11<sup>th</sup> and the club meeting on the 26<sup>th</sup> at our sponsor dealer - Nashville CDRJ.

I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

Thanks again for your attendance and participation in the March meeting.

Donny

P.S. Don't forget to check out the new online magazine from Kevin and Mike - [www.directlyconnected.com](http://www.directlyconnected.com).

### THE MARCH MEETING: Meeting Minutes from Gary Garner

The March meeting of the Music City Mopar Club was held March 22nd, 2015. This meeting was also a celebration of the founding of the club as the first meeting was held 25 years ago on March 24, 1990. 17 people joined the club at that first meeting. Today we have 129 members.

Once again, we have to thank David Denney for allowing us to use his shop for our meeting and for breaking out his cooking equipment and serving as head chef for the day. We had 35 club members in attendance along with family members bringing the total to 50+. Everyone enjoyed a great meal and great fellowship.

Club President and his First Lady furnished an Anniversary Cake and Ice Cream for members to enjoy.

Club President Donny Lippard brought the meeting to order with the first item being the approval of the February meeting minutes.

Club VP Mike Wilkins reported on the trip to New Orleans to the Big Easy Mopar Club Show. 7 couples made the trip. They met up with some members of the North Georgia Mopar Club in Montgomery, Alabama and caravanned to the show. Some of the Friday events included a swamp tour, a French Quarter scavenger hunt, and a huge party at Big Easy Mopar Club president Paul Reynolds's home, complete with a 200 person parade through the streets of his neighborhood. There were 190+ cars at the show and all club member vehicles received an award led by Don Wolfe with his "Best of Show A Body" winning '69 Dart. Their club has had very good representation at our show the last 2 years and they are very complimentary of our show, but mostly of our members, and the great atmosphere we have at our event. This goes to show that all of our efforts are paying off and people do notice what we are doing. If you are looking for a great time with a car show attached, plan to go to New Orleans next March.

The 40th annual Hunters' Custom Auto Show was also held on the weekend of the 14th and 15th of March. Our club had a great showing with 25 vehicles filling a room to support our long-time club sponsor. Stan Hardcastle reported that our members brought home 10 "Top 40" participant awards as well as a "Cool Cruiser" award given to Bill Cook for his '67 Coronet police car. Special thanks to James Peach for all of his hard work to co-ordinate the club's participation.

This was the club's first chance to make use of the new stanchions that Don Wolfe provided for the club's display. They were great and made set-up and teardown a breeze. {See pictures in this newsletter}.

Wayne Hall reported that 8 club members attended the Indy swap meet this year in spite of the rough weather conditions. Once again, it was a very successful show as our members were able to sell a lot of parts.

As club treasurer, Wayne Hall reported that we are in good financial condition after the first quarter of the year. If you have any ideas for how we can best make charitable or community use of our funds, please let us know at the next meeting or by contacting one of the club officers.

The club will be ordering 24 more hats featuring the club logo and Donny Lippard is going to work on pricing for jackets with the logo as well. Hopefully there will be a link soon on our website to Allstar Screen Design. They have our logo in their system and can make up anything we need.

All club members should visit our website and register allowing access to the members section. This will be a great way to post pictures of your ride or your project so that club members can match up a face with a car. This area is open only to current club members and not to the general public, so you can safely post your info. Also, check out the club's Facebook page as it is doing very well.

Mike Wilkins and Kevin Shaw have started their on-line magazine at [www.directlyconnectedmagazine.com](http://www.directlyconnectedmagazine.com). Be sure to check it out.

Among the many upcoming events, the Coker Tire cruise-in at their museum in Chattanooga on Saturday April 11th is a very good one to attend. There will be lots of cars, food, and entertainment.

May 15-17 will be the annual Good Guys Show at LP Field. Again this year, our club will be manning the gate. You will not regret working this show. There are always a ton of great cars and friendly people. Our club gets a donation and each volunteer gets a t-shirt and free admission for you and your ride for the weekend. We will have a sign-up sheet at the April meeting or you can contact James Peach.

New flyers for this years' show are available. Please contact Richard Price if you need flyers. There will be flyers at each of the upcoming meetings. Pick up a few to distribute at the various events during the summer. Let's get the word out to help reach our goal of having 200+ cars at this years' show. We are hoping to have an American Powertrain booth at the show as well as known Mopar guy Tim Welborn at this years' show.

We are working to arrange a private tour of Stephens Performance sometime this summer. They do not do this very often and it would need to take place during the week as they are closed on weekends. This will be a lot of fun.

The April meeting will be at club sponsor Nashville Chrysler-Dodge-Jeep-Ram near the Hickory Hollow Mall in Antioch. They offer club members a good discount, so please

see our contact Jack Jarvis and thank him for his support through the years.

It looks like spring has finally arrived, so be sure to wake up those Mopars and hit the road.
