

THE APRIL MEETING:

Meeting Minutes from Gary Garner

The April Music City Mopar Club meeting was held April 26th in the showroom of club sponsor, Nashville Chrysler Dodge Jeep Ram. Thanks to Jack Jarvis for allowing us to meet there. Please visit Jack for all of your Mopar service and parts needs.

The first item of business was the approval of the minutes of the March meeting. Then Events Director James Peach filled everyone in on some of the upcoming events for May.

First up is the big Good Guys Show taking place at LP Field May 15, 16, and 17. Our Club volunteered to work the gate as the host club for the last 2 years in exchange for a donation to the club, T-shirts, and free admission for a car and two people to the show. This has been a great experience for everyone that helps out. All of the people are fun to talk to and you get to see and hear some of the best hot rods from around the country. If you want to help, please contact James Peach.

The following weekend, May 22-23, will be the annual Mopar Mania weekend at the Somernites Cruise -In and Car Show in Somerset, KY. This will also be the 100th Show that has been held there and there will be a special guest on hand to help celebrate. Butch Patrick (aka Eddie Munster from The Munsters TV show) will be there along with the cars that were used in the show. In addition to the big Friday and Saturday night cruises, there will be a Mopar show at Don Marshall CDJR on Saturday morning.

If you have not been to this event, try to make this one. The whole downtown area is closed off and there are hundreds of cars that fill the streets. You will really enjoy this show.

On June 10th there will be a special Mopar gathering during the Hoover, Alabama stop of the Hot Rod Power Tour this year. This is one to put on your "must do" list.

Very special thanks go out to James Peach for all of his work with the Good Guys and keeping us informed on all of the upcoming events. If you did not know, James is recovering from having stints put in and it doesn't seem to have slowed him down at all. Thanks for all you do.

Club President Donny Lippard announced that our website now has a link to Pay Pal so people can join the club or pay registration fees for the annual show through the website. We are still seeking class sponsors for the show. The cost is \$75 per class. A possible theme for this year's show is "The Year Of The Cat" in honor of the introduction of the Hellcat Charger and Challenger cars this year. If you have a suggestion for a theme, please bring it up at the next meeting as the show will be here before you know it.

The May meeting will be held on "Mopar Night" at the **CHIC-FIL-A** cruise-in at the Providence shopping center in Mt. Juliet on Saturday night May 30. The show runs from 4 until 9 and the meeting will begin at 7 pm. **There will be a special parking area for Mopars** at the event, so bring out your rides and show your Mopar pride. We'll see you there.

May Club Meeting

Directions to Providence CHICK-FIL-A:

Address: 401 South Mt. Juliet Road / 37122
