

EXHAUST NOTES

FROM OUR CLUB PRESIDENT:

I have taken a few days to recover (and dry out) from our 26th Annual Car and Truck Show before penning this month's article. First, I want to THANK YOU for a great show!!! It takes a tremendous effort by club members to make the show a reality and I certainly appreciate your efforts.

Last year we had about 165 vehicles on what turned out to be near perfect weather. This year we had almost 150 vehicles registered in spite of heavy rain on Friday and light rain on Saturday morning. This is a great testament to your hard work in promoting the show, delivering a positive and professional show experience year after year, and the loyal Mopar owners from Ontario, Canada to Florida, Texas to Illinois and many other states along with the many local participants who made the **choice** to attend.

Our 50/50 charity this year was St. Jude Children's Research Hospital. Due to strong ticket sales, we will be donating \$400 and I ask that you consider an additional donation as well by visiting the [Music City](#)

[Mopar Club Event](#) on St. Jude's site or from our [home page](#).

For pictures from the show, visit our [website](#) and [Facebook](#) page.

October's club meeting will be held on Sunday, October 25th at the Tennessee College of Applied Technology {TCAT}, 1303 Old Fort Parkway, Murfreesboro, TN 37129. The meeting will start at 2:00 PM with the social gathering before the meeting. We will be nominating officers for 2016, debriefing on the show, further discussing and voting on the proposed Member Sponsorships {see details below} and conducting other club business.

Since our August meeting we added 12 new members, bringing our total membership to 158. Please join me in welcoming Lee Kazee, James Scott, Mike Bielaczyc, Chris Lopez, David Hixon, Ed & Glenda Raggett, David Foote, Dean Bertram, Travis Patterson, David Burron, Brennan Owens and Tammy Sanderson.

Thanks again for your active participation in the club! I look forward to seeing each of you at our October meeting.

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

4th Annual Kruzin at the Cruise-In Friday, September 25, 2015

The on and off rain showers did not keep the Club's Friday night Cruise-In from being successful, primarily due to the efforts of Paul Reynolds and the Big Easy Mopar Club. They cooked and served a variety of cajun specialties, including Jambalaya, Gumbo, Red Beans & Rice and more.
