

Thanks again for your active participation in the club! We had 35 members attend this month's meeting where we elected officers, voted to establish a \$1000 scholarship fund for the Automotive Tech School at Tennessee College of Applied Technology (TCAT) and to contribute \$500 to Am-Vets as part of our community giving. See Richard's notes for more details.

Please plan on attending our December meeting and Christmas party on December 20<sup>th</sup>. Thanks in advance to David and Brenda Denny for hosting the meeting at their home, providing the meat and cooking for the third time this year! Again, see Richard's notes for additional details.

Have a safe and happy holiday season!

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

## EXHAUST NOTES

### FROM OUR CLUB PRESIDENT:

I can't believe it is December already ... the year passed so quickly. I guess the busier you are the faster time flies. I hope everyone had a happy Thanksgiving and was able to spend time with family and friends.

Speaking of giving thanks, I want to thank each and every member for contributing to the great year we had in 2015. We started with the January meeting at Barry Alexander's, celebrated our 25<sup>th</sup> Anniversary in March, worked the Good Guys show in May and September, had a cookout in August followed by a wet but great show in September. We continue to increase our meeting attendance and averaged 31 members attending and contributing each month.

We also showed our vehicles multiple times each month at various local and distant events (New Orleans, Nationals, Chattanooga, Florida, etc.) representing the club extremely well. Your ambassadorship at these events also attracted over 40 new members to join the club bringing our total to 165.

I would like to thank my fellow officers who served so well in 2015. It was a pleasure working with these gentlemen and serving as your president. 2016 promises to be an even busier and better year for the club. Give us your feedback on how we can make your club experience more enjoyable.

## November Meeting Summary:

Meeting start time = 2:30

- ❖ Donny called meeting to order and thanked Don Wolfe for allowing the Club to meet at his business in LaVergne due to last minute complications at the dealership.
  - ❖ Donny explained the details of Ron Gillespie's "\$1000 Scholarship Fund" proposal for Chuck Vaughn's Automotive Program at TCAT. Continuation of the Fund will be voted on at the Bylaws meeting every February.
  - ❖ Don Wolfe made the motion to approve the Proposal as presented. The motion was seconded and approved by majority vote.
  - ❖ The Club membership is now 165, with our newest member, Stan Mitchell, joining at the meeting. Stan is the proud owner of a 2016 Challenger SRT.
  - ❖ Pat McVay made the motion to accept the 2016 officers as nominated at the October meeting. The motion was seconded and confirmed by positive vote from the attending members. The 2016 Music City Mopar Club Officers are:
    - President: Donny Lippard
    - Vice President: Mike Wilkins
    - Events Director: James Peach
    - Treasurer: Wayne Hall
    - Secretary: Gary Garner
- Note:** Wayne Hall will temporarily assume the membership director responsibilities, but no one has volunteered to publish the newsletter beginning in January, 2016. It has been suggested that some changes may have to be made in the way Club news is communicated to members; maybe a quarterly newsletter ~ to be continued at the next meeting.
- ❖ Donny showed his jacket with the Club logo embroidered on the front. The cost is \$10.00 for the embroidery on your furnished jacket or shirt and you can choose the logo thread colors. Contact Donny for more details [614-286-2648].

- ❖ Jim Peach gave an update on the Don Garlits Show in Ocala, Florida on November 7 and 8. Everyone had a great time and four of our members brought home trophies: Jake Istvanditsch, Ricky Halliburton, Mike Tanner and James Peach. Looking forward into 2016, March will be a very busy month with the Indy Swap Meet, The Alabama Mopar Association Event at the Welborne Museum, Big Easy Show, and Hunters Custom Show. April will have a big multi-club event in Atlanta put on by Summit.
- ❖ Kevin Shaw mentioned a "Dyno-Day" for Mopars at Hardcore Horsepower in Franklin. Information about this event has been sent to all Club Members.
- ❖ Donny led a discussion about the Club's Charitable Giving during the Holiday Season. Several possibilities were mentioned. The Club voted to donate \$500 to the "Am-Vets" as recommended by John Sanderson.
- ❖ The Annual Christmas Party will be at the home of David & Brenda Denney this year on December 20. Details are included following this summary. Be sure to "RSVP" soon.
- ❖ Jake mentioned the possibility of another "Winged Warrior Reunion" for 2017 in Stone Mountain Georgia and Atlanta Motor Speedway.
- ❖ Donny encouraged all members to attend "out of town events" next year.
- ❖ Richard asked for the Club to decide on a "theme" for our 2016 show so the flyers can be complete on the initial print, hopefully in color. Last year's theme was "Year of the Cat" and John Sanderson suggested "Year of the Charger" for 2016.
- ❖ Ricky Hall congratulated Don Wolfe and Mike Tanner for the birth of their new "Hell Cat Chargers"
- ❖ A motion was made, seconded and supported by majority vote to adjourn the meeting.  
Meeting end time = 03:17 PM

## RED ROCK REAL WRANGLER FOR '16

BY DAVID ZATZ ON 2015-11-11

According to a Chrysler blog entry from Betty Newman, the Wrangler Red Rock concept from SEMA will actually enter production after joining the Jeep Safari in Moab, Utah. The Wrangler Hard Rock-based concept is a tribute to the Red Rock 4-Wheelers club.

The Red Rock concept has next-generation Dana 44 solid front and rear axles, a power dome vented hood, new off-road rock rails, thick front and rear red tow hooks, a two-inch lift kit, and 35-inch BFG K02 all-terrain tires. The company had also made a Red Rock Responder concept for Moab earlier this year.

A production model will have "some of the same content" as the concept, and is slated for 2016 production. Some add-ons will be sold by Mopar.
