Vol. 12, No. 1

Printed By H&E Printing

January 2001

## FYI

Happy New Year!!!!:

I would like to congratulate the officers from the year 2000 on a job well done. My name is John Sanderson. I have been elected your MCMC President for 2001. I will try to uphold this office to the best of my ability. Our club is only as strong as the membership. Attendance has been down the last three meetings, so please make plans to attend this month. Don't forget to watch the Daytona 500 in Feb. MOPAR returns to NASCAR!!!

January's meeting will be on Sunday, January 21, 2001 at Auto Fest at the TN. State Fairgrounds. We will meet near the stage at 2:00 P.M. We will be presenting a members choice trophy. You need to be there in time to pick the car that you like, so that during the meeting we can vote on who to give it to. Remember it is your club! Please also remember the \$25.00 door prize! You must be present to win.

See ya at Auto Fest,  
President  
John Sanderson

# "Car/Truck Of The Month"

## We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their "rides" but writing is not always your strong point. This is where MCMC newsletter editors can offer some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.

The Special Features should include any information such as unique engine or drivetrain components or unique body or interior features.

The History section should be used to talk about the background (always a Sunday driver, etc.) or information covering the pain and pleasure of a restoration.

To do this type of feature we need your assistance (and **pictures**). **Help us out!**
