## EDITOR/TALK

Writers block! It's a condition I have been battling for about 2 months now. As I sit here pondering a subject for this newsletter, a thought crossed my mind to bring about more club participation. I have an idea that I hope will interest all of you and get everyone a little more involved in the club.

Inside this very newsletter is a top 10 list. This list will enable you to choose your top 10 mopars of all time! It's real simple. Just fill it out with your name and send it to me, or Wayne Hall, using the mail, or e-mail if you choose. Rules? There are no rules! You want a '79 Hemi Cordoba or how about a 440 six pack Plymouth Volare? The sky is the limit!

To get it all started, I'll even go first. So come on and join in. It'll be fun and definitely a challenge. To pick only ten will be a task but I'll give it my best shot. Here goes!

10. 1971 Dodge Challenger R/T- B-5 blue w/white interior and white stripes and a 340 4-speed.
9. 1970 Plymouth Duster 340- Petty blue w/white interior and white stripe
8. 1971 Plymouth Road Runner- Curious Yellow, black int. 440 six pack, 4-speed and an air grabber hood
7. 1969 Dodge Dart GSS- Black, 440 4-speed. A Mr. Norm Grand Spaulding Special!
6. 1971 Plymouth 'Cuda- In-Violet, white int. and white billboards, 440 w/shaker hood
5. 1968 Dodge Coronet R/T- Seafoam Green (Q-5), black int. & stripe.
4. 1969 Dodge Daytona - Q-5 again, white int. & stripe. Hemi 4-speed ( only 3 were ever made with this color!)
3. 1970 Plymouth AAR 'Cuda- Rally Red inside and out (shwing!)
2. 1970 Plymouth Road Runner- 440 six pack, pistol grip 4-speed, lime light green, white int., and an air grabber hood! HAVE MERCY!
1. 1969 Dodge Charger RT/SE- Black w/ red int. and stripe. 440 4-speed! Man it just doesn't get any better than that!

Well there you go. My all time favorites! Now all I need to do is win the lottery and build a 10 bay garage! Your turn!

## *MAY MEETING*

At the April meeting we need to decide what we want to do for May. We have two choices. (1) We can go to the new Nashville Speedway and be involved with the NASA High Performance Driving Event (National Auto Sport Association) on Saturday May 19<sup>th</sup>. There is a \$20 entry fee, but this gets you into the infield area of the track to watch the events of the day. For an additional \$20 you can tour the track a couple of times during the day behind the pace car at speeds up to 90 mph, (no passing allowed). This is a road course event but you go on two turns of the big track. (2) We can go the Country Cruisers car show in Columbia on Saturday May 19<sup>th</sup>. You can enter the show for \$15 or just show up for the meeting. Both of these are a week earlier than normal, but We need to do it this way because the forth weekend in May is Memorial Day weekend. Come to the April meeting and decide. List you top ten Mopar below and send them in.
