Bronze "B"

A couple of years ago I did a piece on a black 1964 Plymouth Valiant convertible. That car was owned by MCMC member Dwayne Deavers. Well this car that you see here is his latest effort. He did some trading around and wound up with this 1969 Plymouth Satellite.

Mrs. Mayne Potts bought this car brand new in Franklin, Tennessee for \$2583.00. She obviously drove very sparingly during the time she owned it as it only has 49,000 miles on the clock. It is even still sporting its original (T3) honey bronze metallic paint! So the body on this car is a true survivor. For years a man that did jobs for Mrs. Potts had wanted the car real bad and told her when she got ready to sell it, he wanted it. Well she never sold it. Instead, she willed it to him when she passed away at the age of 96! Talk about luck! Anyway, she wanted it to go into good hands and *did not* want a muscle car made of it. At least that was her plan. 10 years passed and the car pretty much sat still. Enter our friend Dwayne.

The Satellite survivor began life as your basic slant six, no frills car. Just the way Mrs. Potts wanted it. But, when Dwayne got the car, a new plan took effect. He retained the "sleeper" look and left the body as is but opted for something with a bit more punch on the performance side. He started by changing out the K-frame to accommodate a big block. Then a .060 over 440 was installed in favor of the aforementioned slant six. He added two 500 cfm AFBcarbs., a new cam, lifters, and headers to the mix. All of that is backed by a 727 torqueflite tranny with a B&M floor shifter to take place of the stock 3-on-the-tree crash box. Add all of that and what have ya got? Instant musclecar!

Now the only thing left to get is a tachometer, but not for the car. Man she's got to be turning over about 6,000 right now!

Mopar 2 ya!

FYI

The April meeting at the Glencliff Car Show was a lot of fun. Attaboys to Craig, Chuck and the staff. Congrats to Ken Martin and Chris Knott who both won a best of show, and Wayne Hall for a top ten award. We voted to go to the Country Cruisers Show in Columbia for our May meeting. We also decided to meet at Shoney's at S.R. 96 off of I-65 south. The exit number is 65. From Nashville go up the exit ramp, turn right (west on 96) and Shoney's will be on your left. We will leave Shoney's at approx. 8:30 A.M., and caravan to the show. If you want anything to eat you should arrive there earlier in order to allow time to eat.

The only thing I know as far as directions to the show are that it's in Columbia. This will be a business meeting only. I have been to the Speedsters Cruise at Cool Springs twice so far and there were approx. 5 Mopars at each one. Bubba and Carol are on the staff. Drive your Mopar and make it known everyone does not drive a Necktie or Pherd. The meeting will start at 2:00 P.M. Don't forget about the \$25 door prize. You must be present to win.

In last months newsletter Keith started a top ten Mopar list. Come on, all you Mopar lovers, what's your ten favorites? Hears mine!
