

Music City Mopar Club

Vol. 12, No. 7

Printed By H&E Printing

July 2001

FYI

The July meeting of the MUSIC CITY MOPAR CLUB will be on Saturday July 21st at the Cool Springs Mall. It will be in the Sears parking lot during the Saturday night cruise in. We will get together near the stage where the band plays around 6:00 pm, from there we will find a quieter place to actually have the meeting. Drive your Mopar and lets all have a good time. The display at Hallmark Dodge was a big success. Thanks to everyone who brought their car or truck.

The meeting will start at 6:00 P.M. Don't forget about the \$25 door prize. You must be present to win.

"Car/Truck Of The Month" We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their "rides" but writing is not always your strong point. This is where MCMC newsletter editors can offer some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do your car/truck justice.

Significant Options:

Special Features:

History (humorous or not)

Attach Additional Pages if Necessary.

The Special Features should include any information such as unique engine or drivetrain components or unique body or interior features.

The History section should be used to talk about the background (always a Sunday driver, etc.) or information covering the pain and pleasure of a restoration.

To do this type of feature we need your assistance (and pictures). **Help us out!**
