September 2001

EDITOR/TALK

Mopar Nats 2001

This was a very unusual year at the Mopar Nationals for me. Six months ago I had 8 or 9 people ready and rarin' to go to Columbus, Ohio for the annual granddaddy of all Mopar shows. I had everything in place for the whole trip. Over the course of that time, everybody started falling out of the trip. Two days before the departure, the last two guys of my group bailed on me too. Fortunately I was able to get one person to go along and we had a blast!

This was my eighth year straight at the 'Nats and my third year as a judge. As most of you know, I have a soft spot for stock, show-room condition mopars. After 2 years of judging in other classes, I finally got in to the stock class. I judged '62 to '67 B-body/stock with noted Mopar enthusiast and editor of High Performance Mopar magazine, Greg Rager. I gained a lot more knowledge of these cars and got a new friend as well. It was a lot of fun and I judged some exquisite cars to boot.

Where I spent most of my time was the swap meet. I can never get tired of looking through all the parts hoping to find that missing part to my project. I really didn't find anything that I just had to have but enjoyed the treasure hunt anyway.

The special displays were excellent this year. The NASCAR, hemi anniversary, and survivor tents were shows within the show! Also, 'ma Mopar brought along a few concept cars to wet our appetite for the possible future of things to come from Daimler Chrysler. The new Power Wagon and Charger seemed to get a lot of attention.

The weather was kind throughout most of the weekend. The clouds were there but the rain stayed to the south of us. This made for lower temps and provided pleasant weather for cruisin' Brice Road.

Last, but not least, several of us attending from MCMC cast a vote for the MCMC award trophy. This year it went to a young man owning a 1970 Hemi Dodge Challenger clone in the young guns class.

Well, that's about it for this year. Now I'm preparing for next year. But, first we have a show to do here at home and I'm ready forare you? See ya next month!

Mopar 2 ya! Keith Pettitt/editor

FYI

We had a good turnout at the August meeting. We discussed and passed a couple of items for next month, as we all know is our show month. There will be a gathering, not a business meeting at the show site at Moss Wright Park on Saturday the 15th at 9:00 a.m. to determine how many members we need to perform the related functions for the show. The September meeting will be on Sunday the 16th at Wayne Hall's house at 2:00 P.M. for the goody bag stuffing. We need goody bag items and door prizes. Please bring anything you can to the meeting. Everyone is pressing hard for sponsors and various other chores and it is greatly appreciated. Dodge is finally in the Winston Cup winner's circle. Thanks Sterling!!!

Directions to Wayne's house from Nashville are, I-40 toward Knoxville, take exit no. 232-b, (109 North towards Gallatin) at 2nd road from Interstate (Hickory Ridge Rd.) turn right and go approx. ¼ of a mile to house on left. Split level house approx. 400' from road with extremely wide concrete entrance at road.

The meeting will start at 2:00 P.M. Don't forget about the \$25 door prize. You must be present to win.

See Ya'll on Aug. 15th and 16th
Your President, John Sanderson

News from the Nats

J.D. Newland, grandson of Butch Price, received a second place trophy in the model car contest. Way to go, J.D.

Get Well Soon

As many of you know, Butch Price underwent back surgery for the second time on Aug. 14th. Many of you would like to believe this second surgery was due to all his hard work at home, since his first one. NOT! I'm sure we have all the expression, "Let sleeping dogs lie" and a picture speaks a thousand words. Get well soon, daddy!

From, your loving family
