

Music City Mopar Club

Vol. 12, No. 6

Printed By H&E Printing

June 2002

FYI

The June meeting will be held on Saturday June 22nd at 5:30 PM. We will meet at the Cool Springs Cruise In and cruise to the Tennessee State Fairgrounds to enjoy at night at the races. Club member Stan Hardcastle has a Dodge Intrepid that they run on Saturday night. It will cost \$12 to get into the race and it starts around 7:30 PM. This will be a great club activity and a chance to support Dodge racing. The update on Garry Wilkerson is that he had brain surgery on May 24th at Skyline Medical Center. The surgery was to remove a cyst that was putting pressure on his brain. The cyst was not malignant and he came through surgery fine. At present time he is resting at home and the prognosis is good for the future. Contact Garry if you can, I'm sure he will be glad to here from you.

Butch Price has become a distributor for the Electric Art Company. They make pictures of old cars parked in drive in restaurants or drive in theaters with the cars parking lights, headlights or tail lights on. Sometimes the restaurants or drive in theaters have flashing lights. These pictures feature all makes of cars or trucks. Butch has a catalog he will share with you at the meeting or you can call him at 615-746-5874 and he will make arrangements for you to see the catalogs.

The club has finally gotten in some club t-shirts and caps. The shirts are white with a pocket in the front. The club logo is on the front and back. The caps are red or black with the club logo. The shirts are priced at \$10 each and the sizes we have are large, XL and 2X. The caps are \$5 each and one size fits all. We will have them at the next club meeting. (Pictures on next page)

The show will be here before you know it, so it never too early to start looking for class sponsors and door prizes. It only cost \$75 to sponsor a class so if you know some business that would be interested let us know. The meeting will start at 5:30 P.M. Don't forget about the \$25 door prize. You must be present to win.

See you on the 19th, Your President John Sanderson

Mopar Trivia

We have all read about the T/A Challenger and the AAR Cuda being produced in 1970.

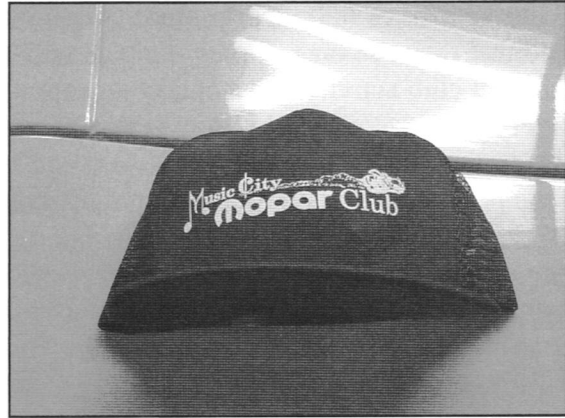

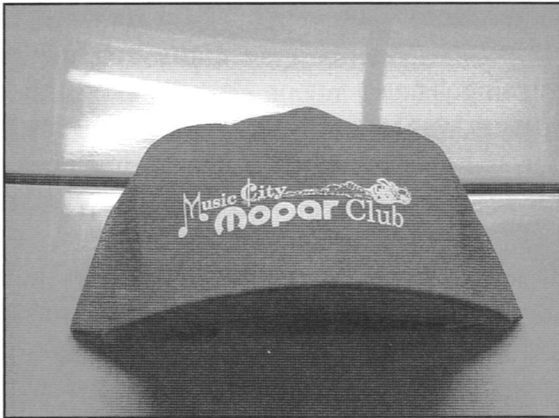

1. Was there a T/A Challenger built in 1971?

Club Merchandise

Shirt Front

Shirt Back

Shirts are only \$10 and caps are \$5. Let us know if you want one.

Thanks

Electric Art Company, contact Butch Price at 615-746-5874.

“Car/Truck Of The Month” We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their “rides” but writing is not always your strong point. This is where MCMC newsletter editors can offers some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.

Owner: _____ **Phone:** _____

Make: _____ **Model:** _____ **Year:** _____

Engine: _____ **Transmission:** _____ **Rear End:** _____

Color- Exterior: _____ **Interior:** _____

Significant Options:

Special Features:

History (humorous or not)

Attach Additional Pages if Necessary.

The Special Features should include any information such as unique engine or drivetrain components or unique body or interior features.

The History section should be used to talk about the background (always a Sunday driver, etc.) or information covering the pain and pleasure of a restoration.

To do this type of feature we need your assistance (and pictures). **Help us out!**
