Vol. 13, No. 8

Printed By H&E Printing

August 2002

FYI

The August meeting will be held on Saturday evening August 24th at 5:30 PM. We will meet at Hallmark Dodge in Hickory Hollow located at 5800 Crossings Blvd. near Garden Ridge.

We need someone to be our newsletter editor. We need someone to write tech articles or any kind of car or truck related articles. If you feel led to do this please let us know.

The club has t-shirts and caps and caps for sale. The shirts are white with a pocket in the front. The club logo is on the front and back. The caps are red or black with the club logo. The shirts are priced at \$10 each and the sizes we have are large, XL and 2X. The caps are \$5 each and one size fits all. We will have them at the next club meeting.

The show will be here before you know it. We need door prizes to give away at the show. We need class sponsors. It only cost \$75 to sponsor a class so if you know some business that would be interested let us know. We also need workers at the show. We need security people for Friday and Saturday night. We need people to park show cars and vendors. We need someone to tech cars when they come in. If we can get enough volunteers no one would have to work a very long time. The meeting will start at 5:30 P.M. Don't forget about the \$25 door prize. You must be present to win.

See you on the 24th, Your President John Sanderson

Next year will be here before you know it. If you are interested in being an officer in the club for 2003 please let it be known. I think there will be a few openings next year because some of us have been doing it for several years now and it's time for someone else to step up to the plate.

Wayne Hall, V.P.

"Car/Truck Of The Month" We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their "rides" but writing is not always your strong point. This is where MCMC newsletter editors can offer some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.

Significant Options:

Special Features:

History (humorous or not)

Attach Additional Pages if Necessary.

The Special Features should include any information such as unique engine or drivetrain components or unique body or interior features.

The History section should be used to talk about the background (always a Sunday driver, etc.) or information covering the pain and pleasure of a restoration.

To do this type of feature we need your assistance (and pictures). **Help us out!**
