December 2002

FYI

The December meeting which was originally to be at Hooters has been changed due to several people calling and asking about having a Christmas party like we had last year. That being the case an executive decision was made and the December meeting will now be at Dale McDaniel's house on Saturday December the 28th from 5:00 – 7:00 PM. Food and drinks will be provided by the club. Please call Dale at 615-452-7846 to let him know how many people will be coming with you so we can get an idea of how much food we need. Directions to Dale's house from Nashville are take the Hendersonville bypass to New Shackle Island Road, go north on New Shackle Island to Long Hollow Pike and turn right towards Gallatin. Go approx. 6 miles to Neals Lane on the left. Turn on Neals Lane and go approx. 1 mile to Horntown Road on the left. Turn on Horntown Road and Dale's house is the first one on the right.

The Officer's for next year have been elected. I would like to thank the officers for the past two years for their support, also thanks to all of the members for their support also. I have enjoyed being your president. It was a real experience for me. I hope I upheld the office to your satisfaction. Merry Christmas to you and your families.

Next year's show will be a one day show but the location has not been decided. The two locations that we have now are Pinkerton Park in Franklin or the Opryland area. If you know of another place please let us know. We need to decide soon so we can get next years show flyers printed. Please come to this important meeting. This year's charity is the Second Harvest Food Bank. Please bring your non-perishable food items to the meeting on the 29th. See page inside of newsletter for what to bring. Congratulations go to Bob Green for attending the most meeting's this past year.

Membership dues are due for next year. You need to pay by January 1, 2003. Use the enclosed form or just come to meeting and pay in person.

“Car/Truck Of The Month” We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their “rides” but writing is not always your strong point. This is where MCMC newsletter editors can offer some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.
