VOL. 14 NO. 1

JANUARY, 2003

SPANKY SPEAKS

Hello Mopar Club members and hats off to the New Year. Looks like it's going to be a quick one, at least the past one seemed to go by fast. I'd like to give a huge Mopar thanks to Dale and Pam for the terrific chili dinner. Man what a cool car that Dale has, and his wife for allowing him to have it. Hey Dale, wanna race for pinks... HA! I'd like to thank everyone that showed up to the meeting as well. Not a bad showing for the month of December.

I know I've not been too involved this past year. After joining the club in 1991 I stayed pretty involved and I guess I needed a break. But I'm back and ready to do whatever it takes to get the job done. Bill and I have done this before and I think we can do it again with the help of the rest of the officers and club members.

I hope to go on a lot of car cruises and races this year along with car shows. Oh, but don't worry I'll drive my trusty Mopar where ever I go. We all hope to do a great service this year, but we can't do it alone. So let me tell you now while its still early, we will expect the help of all the available members. If needed we will call for help as I hope you all will do the same. This is a club and we should a come together when any other member needs a lift. And we all know no other club can do it like the M.C.M.C. can.

This month's meeting will be held at Antioch High School 1900 Hobson Pike. Meet and greet at 1pm and meeting at 2pm. Don't worry it will be short! See you at the meeting.

Your Prez,
Baby Block Bob
Or
Robert Vachunek
