## JUNE, 2003

Welcome to the Music City Mopar Club!

The 14th annual M.C.M.C. car show will be Saturday September, 27th 2003 at Two Rivers Park off Briley Parkway near Opryland. This is a **one** day show.

For information call:

**Robert Vachunek** at (615)384-8243

**Bill Bradley** at (615)443-2436

Hope all is well, all is good on our end. Well lasts month's meeting a wash or at least a rain out. But I wouldn't have missed it. We had lots of laughs and cool Mopar stuff to talk about like member David Cato's son getting a new SRT4. I'd really like to drive that thing. Hey guys, front drive is in. We are going to try something different this month. We will be meeting at the Friday car cruise at the Stones River Mall from 5-9 pm on 6/27/03. Look for Stan's note for details. I hope everyone can drive some bad Mopar iron. I know my 340 mean machine will be ready to blast some major rubber! (Oops, that would be against club rules) See you at the cruise !!!

SPANKY

Give the credit for the cool new site to Web Master Paul Arntz @ CWD. His time, expertise & generosity are much appreciated. If you need help with a web site you can contact him at paularntz.com. Support those who support us.

Our condolences go out to long time member Randel Mickle who recently lost his father who was in his eighties. Best wishes to Randel and his family.

Also, keep long time member & many time past club officer Butch price in you thoughts as well. Butch has been battling heart problems. We look forward to having him back at the meetings telling the current baord what, when, where, how.....

## mopar/Talk

Well it's been awhile since I have written anything for the MCMC newsletters' R/T column, but I do enjoy dropping a line every now and then to let you all know I'm still around.

Anyway, I did get to attend a couple of shows in the past months. First, there was the annual Hunters Custom Auto Expo. There were a lot of quality show cars for every genre of enthusiast. The mopars were well represented by many of the MCMC members, so great job guys! Secondly, I made it down to Jackson, Tn. for their annual mopar car show and drag race. There were several nice show cars and some rather quick drag racing contenders as well. I met some really nice people at that show and caught up with a few people I haven't seen in awhile. I also scored some headlight bezels for my newly acquired Satellite. So kudos to Fred Turman and Company for puttin' on the show.

Plans are in the works for a couple more shows in the near future, including the mopar nats in August. Lets not forget that our show will be here before ya know it as well. It's never too early to start making preparations for that and we need all the help we can get. Anyway, that's all I've got for now. I hope everyone has a great summer! Be safe , be cool and as always.....

Mopar 2 ya!

Keith Petitt- V.P.

**JUNE MUSIC CITY MOPAR CLUB MEETING**  
**5:00-9:00P.M. 6/27/03**  
Brief Business Meeting @ 7:00

I hope everyone will be able to come to Murfreesboro Friday Night from 5:00 to 9:00pm. for the "Murfreesboro Hot Rod Club's" weekly car show and our monthly meeting!

For those of you who have not been yet, they are attracting close to 300 cars every Friday night at the "Sears" end of the Stones River Mall located off I-24, exit 78 east on Hwy. 96.

Whoever in the club has the Club Sign either needs to get it to me or meet me early, probably between 3:00 and 4:00 Friday afternoon. I plan to get there around 2:00 or 3:00 to help Phil get some of his Mopars out to the show.

Oldie's 96.3 is one of the Show Sponsors. They were there last Friday, but I'm not sure if they come every week? I think they come once a month, but they probably have a DJ there.

I discussed with Phil Aluise, the event promoter, that we would encourage all of the Mopars to start to fill in one side of the parking area, where all other makes would start from the other side. That way it would give us not only a chance to park together, but it would also give non members with Mopars a chance to meet us and hopefully join the club.

The only problem I've got to work out is my brother's birthday party is the same night at 6:00 in Franklin. I've got to figure that out and keep everybody happy.

Be sure and pass this information to all of the club members that I don't have e-mail addresses for. Everybody's welcome ..... now, let's hope for good weather!!!

Thanks,

Stan
