## **PRESIDENTIAL PONDERINGS**

Finally the month of the car show is here. On this Saturday, September 27th, 2003 from morning until night we will have our 14th annual car and truck show. Most all the details have been finalized and all looks well. All we need is you. All of you. We need your help, your friends, your cars and your moral support. We have got to have volunteers to help with registration, parking, judging, cooking, set up and clean up.

It is time for everyone to think about what they would like to help with during the car show. Right now is a good time to volunteer since all positions are available. We will need to judge classes faster than ever this year so we need plenty of judges. Ahhh... a one day show. Call Bill or Robert at the numbers above to volunteer.
