January, 2004

Welcome to the Music City Mopar Club !!!

Notes From Your Events Director

The December meeting was the induction meeting and was held at Hooters of Rivergate. Outgoing president Robert Vachunek handed over the reins to the new crew.

President: John Sanderson
Vice President: Keith Pettit
Events Director: Stan Hardcastle
Treasurer: Wayne Hall
Secretary/Newsletter: Bill Bradley

The 2004 show site was discussed and we are once again trying for the park in Franklin. Events Director Stan Hardcastle is working hard on this and will update us at the next meeting. There is also a rumor that the MCMC may take over the duties of running the cruise to the Mopar Nationals which would bring us national magazine attention. Robert Vachunek is looking into this and will update us at the next meeting as well. We have lots to discuss at the next meeting and hope to see many of you there.

As you know it is always a chore finding places to have these winter meetings. If any of you have suggestions for other meeting places come and tell us. This month we will be at Hooters of Rivergate. The eat & greet starts at 12:30 with the meeting starting at 2:00 on Sunday 1/25/04

If you are not already on the club's e-mail list please go to www.musiccitymoparclub.com and click "Email List" on the menu to the left. You will be prompted to put your e-mail info into the club's data file and will get the newsletter e-mailed automatically to you each month.

In the weeks to come the news letter will begin to take shape for 2004. With the help of Web Master Paul Arntz it is up and running, but this is your opportunity to add something to it. Send in your wants adds, event dates, links or suggestions to bill@bigblockbill.com to have it included in the future.

Just for info check out these numbers for the web site in December:

Why don't you advertise in the MCMC newsletter?

Thanks, Bill

MEMBERSHIP

It is that time of year again and club membership dues are payable. As always dues are \$24.00 dollars per year. This money barely covers the expense of publishing the newsletter. The club is a great way to meet and stay in touch with other people with a common interest in all things Mopar. The want ads are there for all to buy and sell through. With the club web site visited by more and more people each month your ads should work better than ever. So please mail in your payment or bring it to the next meeting along with any changes in your mailing address, phone number, or your e-mail address.
