

Music City Mopar Club

April, 2004

Welcome to the Music City Mopar Club !!!

From John Sanderson - Exhaust Notes

The April meeting will be on April 24th at Pinkerton Park in Franklin. Please note this a SATURDAY meeting!!!! There will be a cookout and cruise to the Backyard Burgers. The cookout will begin at 3:00 p.m. and the meeting will start at 4:30. The club will provide the burgers and dogs, members bring the suds and spuds. On another note the club has been graced by Mopar Performance, they have given us some of their excess engine and chassis books, if you would like a set, or an individual book please contact me or Stan and we will have them at the meeting, YOU MUST BE PRESENT TO RECEIVE YOUR BOOKS!!! They are first come first served!! Attaboy!!! to Bubba Storey. His Dude will be on Trucks! TV When we have the date it airs we'll let you know.

Your President
John Sanderson

ED OP

Take some time to check out the changes to the web site. New pages and features have been added. The 2004 show flier is now available for downloading as well as PayPal for internet secure credit card payment of your dues, show entries and eventually wearables.

If you have show news or pictures and would like a little world wide exposure e-mail them to me and I'll see what I can do.

I would like to oppologize for the mix up on the newsletter last month. It was my fault.

Bill Bradley,
Newsletter Editor

From Bubba Storey

Hi Bill, thought I'd give the club a update of the success of the Hunter's Custom Auto Show this past weekend. Carol and I had the ole DUDE truck at the show and David Denny brought the AWESOME Hemi GTX he just purchased a few weeks ago. There were more Mopars there but only the 2 representing the club; of course we had the club banner overhead and Wayne Hall supplied us with 35 club applications and a stack of our show flyers. The applications were gone by mid Sunday (AWESOME) and 3/4ths of the flyers were gone. Lots of positive comments on the new Pinkerton Park location in Franklin for this year's show. I made it known of the great website for the club and expect to have some new folks visiting. We had a great time talking with a slew of great folks about mopars they have or had. The Hemi of David's was the only Hemi there, just wish we could have had more club

members there to see a repeat of the Hemi commercial...."That thing gotta Hemi?" and even better...."Son, now that's a Hemi!" Dale McDaniel paid a visit but sorry we missed him, Wayne Hall help set up and stayed as long as he could and allow time for family activities already planned for as well as coming back to help take down and load up. David Denney stayed for a good bit both Sat. and Sun.; went out to eat with him and Brenda as well as Chuck Vaughn and his son on Saturday night. Its difficult for everyone to get together for these shows but It would be the best thing to have shared the events this weekend with a bigger club crowd. There was even a former member who left the club a few years back on a disagreement from what I understand that came over to see the action and to introduce himself and say hi. Stacey David of the TV show "Trucking" here in Nashville wants to feature the ole DUDE truck on his show. Carol said it was a hour after he left before I could form a complete sentence. He wrote down my info and said he will call me. WHEEEW...I'm still working on believing that happened. Long winded here but a lot happened in the past 72 hours and summing it up in 10 minutes the best I can. I mentioned to many folks we should have the best show with the most vehicles ever and I hope everyone that can, will participate. David's Hemi got the most attention I think in the whole room of cars in B building and the ole DUDE held his own as well thanks to David's painter. Thanks to the club for the banner and supplies for the show. My dad came by Sunday to see the truck as he knew the effort put into it; he saw the truck when I had only the frame in the garage with nothing on it. Its the first time he's seen my truck in a show...it also helped that he didn't have to go to Ohio or Georgia to see it; but he did come all the way from Giles county just to pay a visit. This is just a drop in the bucket of the events at the show but I'd better leave room in the newsletter for other important items. This show was a blast but could only be better with more members. LETS GO HAVE SOME FUN!!!

>More From Bubba Storey

Dear fellow club members, I'm pleased to announce that in June on the 13th of this year "TRUCKS TV" will have my DUDE truck on the show. The show is hosted by Stacey David. The 6/13/04 show will feature muscle trucks of today; and since the Dude I have sports a factory 383, he will feature it as a yester-year muscle truck by comparison. This is a real honor and am very excited about this. Stacey is a great fellow and we enjoyed talking with him for about a hour when we delivered the Dude. Carol has taken about every step I have in working on this 5 year long project so we both share equally the excitement of this event. The club liscense plate will be proudly displayed in the back window (Cruisin Brice Road is on the bumper) so I'm thinking it may get some air time. We regret not being at the meetings in past months and we miss everyone but hopefully this will compensate for participation. Hope to see everyone soon.
Bubba and Carol

MEMBERSHIP

It is that time of year again and club membership dues are payable. As always dues are \$24.00 dollars per year starting in January and pro-rated \$2.00 per month. This money barely covers the expense of publishing the newsletter. The club is a great way to meet and stay in touch with other people with a common interest in all things

Mopar. The want ads are there for all to buy and sell through. With the club web site visited by more and more people each month your ads should work better than ever. So please mail in your payment or bring it to the next meeting along with any changes in your mailing address, phone number, or your e-mail address.
