### Mopar Market

**Set of 4 Magnum wheels, painted, great condition, wheels only, 14x7, \$200 O.B.O., Columbia, TN, 931-381-6590**

**1968 Dodge 1 ton dually truck, 318 with 4 spd, runs great, new kit in slave cylinder for clutch, new rear wheel cylinders, new tune-up, fuel pump, good radiator-original, flat wood bed with livestock racks, all electric in good working order, has under 70,000 miles, body in decent condition, way less than normal rust, have a set of big mirrors I'll throw in, \$900, in Columbia, TN, 931-381-6590**

**I have a '74 Duster and replaced the original 318 engine with a cop 318 from a '87 Diplomat (also replaced the 904 with an 833). I have stuff left over from the swap that I am willing to give to anyone who wants it. Included in the grab bag are the original 318 (2-bbl) (134 k miles, needs rebuild) and various parts from the '87 Diplomat (oil cooler, trans cooler, cold air package, exhaust manifolds, a/c brackets etc.) I realize my stuff does not have much value in the grand scheme of all things Mopar, I am short on storage space and would rather give the stuff to someone who may have a use for it rather than take it to the dump. Please call me at (615) 662-1243 if you have any questions. (Sorry I missed your show this fall, don't see too many Mopars at the cruise ins) Greg Faulk**

**FOR SALE:** We have 2 limited edition dodge dakota sport factory convertibles and we are looking to sell one of them (a red 1989). we want to find someone who would appreciate their limited availability (only 3800 were built), can you give us any suggestions or leads?
