I have a '74 Duster and replaced the original 318 engine with a cop 318 from a '87 Diplomat (also replaced the 904 with an 833). I have stuff left over from the swap that I am willing to give to anyone who wants it. Included in the grab bag are the original 318 (2-bbl) (134 k miles, needs rebuild) and various parts from the '87 Diplomat (oil cooler, trans cooler, cold air package, exhaust manifolds, a/c brackets etc.) I realize my stuff does not have much value in the grand scheme of all things Mopar, I am short on storage space and would rather give the stuff to someone who may have a use for it rather than take it to the dump. Please call me at (615) 662-1243 if you have any questions. (Sorry I missed your show this fall, don't see too many Mopars at the cruise ins) Greg Faulk

"Car/Truck Of The Month"

We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their "rides" but writing is not always your strong point. This is where MCMC newsletter editors can offer some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.
