

# Music City Mopar Club

April 2005

Vol. 16 - No. 4

## **Exhaust Notes**

Please check out our new look on our web-page [www.musiccitymoparclub.com](http://www.musiccitymoparclub.com). We will have stories and Mopar related info every month. Check back monthly to read some cool Mopar related stuff.

The April meeting will be at the Sycamore High School car show on the 16<sup>th</sup> at 1:30. We will meet in the Hill's parking lot and go to the show as a group. Directions are I-24 west to Exit 24 (Hwy 49) turn left at top of ramp and Hill's is at the intersection, see ya there.

If you want to go early and enter the show, the directions to the school are I-24 west to exit no. 24. Go west on Hwy. 49 approx. 2.9 miles and turn right onto Old Clarksville Hwy, school is on the left.

On a sad note, long time club member Butch Price lost his father on the 16<sup>th</sup> of February after a lengthy battle with heart disease, Mr. Price was a decorated WWII veteran, and was wounded during the famous Battle of the Bulge while serving with General George Patton's outfit. We all mourn the passing of an American Hero.

Your President, John Sanderson

**FYI**

We are back to needing a newsletter editor again. David Bernath's work schedule changed so he will not have the time. He will be able to do the web page and we appreciate it very much. If you are willing to volunteer for the newsletter, you will need a computer and the ability to e-mail. Please contact John Sanderson at 615-860-2509 if you are interested.

The Mopar Nationals are in August and rooms are already hard to find. Ken Martin has a block of rooms reserved in his name. If you are in need of a room contact Ken at 615-883-8053.

Thanks,

John Sanderson

I have a '74 Duster and replaced the original 318 engine with a cop 318 from a '87 Diplomat (also replaced the 904 with an 833). I have stuff left over from the swap that I am willing to give to anyone who wants it. Included in the grab bag are the original 318 (2-bbl) (134 k miles, needs rebuild) and various parts from the '87 Diplomat (oil cooler, trans cooler, cold air package, exhaust manifolds, a/c brackets etc.) I realize my stuff does not have much value in the grand scheme of all things Mopar, I am short on storage space and would rather give the stuff to someone who may have a use for it rather than take it to the dump. Please call me at (615) 662-1243 if you have any questions. (Sorry I missed your show this fall, don't see too many Mopars at the cruise in's) Greg Faulk
