August 2005

Printed by Dales Quick Print

Vol. 16 - No. 8

## *Exhaust Notes*

Please check out our new look on our web-page [www.musiccitymoparclub.com](http://www.musiccitymoparclub.com). We will have stories and Mopar related info every month. Check back monthly to read some cool Mopar related stuff.

The August meeting will be on Friday evening on the 26<sup>th</sup>, at 7:00 P.M. It will be at the Stones River Mall Cruise-In in Murfreesboro behind Sears.

The show will be here before you know it. We need door prizes to give away at the show. If you can come up with some door prizes please bring them to the one of the next two meetings or just bring them to the show on Friday night. Our DJ will give them away during the show. We really need class sponsors. It only cost \$75 to sponsor a class. If you want to sponsor a class or know of a business that would be interested let us know. We also need workers at the show, someone to park show cars and vendors. We also need judges. As far as security goes we are looking to hiring a Franklin police officer. It's hard to get enough people to stay overnight and this seems to be the best solution. If we can get enough volunteers no one would have to work a very long time. Let us know if you can work. Enclosed is a form for getting a room at next years Mopar Nats. If you need a room please send it to the Fairfield Inn. You can call after Labor day also, but you can send this in before then and they will have everything on file.

See you in Murfreesboro,

Your President, John Sanderson

## *Sponsor Info.*

One of show sponsors that is listed in the directory has moved to a new location. The **Chrome Wizard** is owned by Bubba Moon. The new location is 71 Visco Court, Nashville TN., and the new phone number is **615-248-3553**. If you need some Chrome plating, Metal polishing or Powder coating done give **Bubba** a call. His business is located just off of Lebanon Road near Fessler's Lane. Please support our sponsors.

I have a '74 Duster and replaced the original 318 engine with a cop 318 from a '87 Diplomat (also replaced the 904 with an 833). I have stuff left over from the swap that I am willing to give to anyone who wants it. Included in the grab bag are the original 318 (2-bbl) (134 k miles, needs rebuild) and various parts from the '87 Diplomat (oil cooler, trans cooler, cold air package, exhaust manifolds, a/c brackets etc.) I realize my stuff does not have much value in the grand scheme of all things Mopar, I am short on storage space and would rather give the stuff to someone who may have a use for it rather than take it to the dump. Please call Greg Faulk at (615) 662-1243 if you have any questions.

1989 Dodge Dakota limited edition sport, factory convertible (red). We want to find someone who would appreciate their limited availability (only 3800 were built). can you give us any suggestions or leads? Thank you for any help you can give. ## **“Car/Truck Of The Month” We Want Your Car/Truck!!!**

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their “rides” but writing is not always your strong point. This is where MCMC newsletter editors can offer some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.

The Special Features should include any information such as unique engine or drivetrain components or unique body or interior features.

The History section should be used to talk about the background (always a Sunday driver, etc.) or information covering the pain and pleasure of a restoration.

To do this type of feature we need your assistance (and pictures). **Help us out!**
