Exhaust Notes

Please check out our new look on our web-page www.musiccitymoparclub.com. We will have stories and Mopar related info every month. Check back monthly to read some cool Mopar related stuff.

The September meeting will be held on Sunday afternoon September 18th at 2:00 PM. We will meet at David Denney's house in Wilson County. Directions to David's house from Nashville are take I-40 East to Hwy. 109 south (exit 232). Go approx. 3 or 4 miles to S.R. 840. Take 840 and go towards Chattanooga approx. 2 miles to Stewarts Ferry Pike (exit no. 70). Go east on Stewarts Ferry approx. 1 mile to Moccasin Road and turn right. Go about 1000 ft., cross a small bridge, go past the dead end sign, past the two rock columns and his log house is on the right. We are also having a cookout. The meat will be provided so all you need to bring is sidedishes, drinks or deserts. We will eat about 1:00 P.M.

This is the last meeting before the car show. We will be stuffing the goody bags and we will need all the help we can get. The meeting will start at 2:00 PM.

Please bring any door prizes and anything that we can put in the goody bags to this meeting. We need class sponsors. It only cost \$75 to sponsor a class so if you know some business that would be interested let us know. We also need workers at the show. We need people to park show cars and vendors. We need someone to tech cars when they come in. If we can get enough volunteers, no one would have to work a very long time.

Your President, John Sanderson

Mopar Market

I have a '74 Duster and replaced the original 318 engine with a cop 318 from a '87 Diplomat (also replaced the 904 with an 833). I have stuff left over from the swap that I am willing to give to anyone who wants it. Included in the grab bag are the original 318 (2-bbl) (134 k miles, needs rebuild) and various parts from the '87 Diplomat (oil cooler, trans cooler, cold air package, exhaust manifolds, a/c brackets etc.) I realize my stuff does not have much value in the grand scheme of all things Mopar, I am short on storage space and would rather give the stuff to someone who may have a use for it rather than take it to the dump. Please call Greg Faulk at (615) 662-1243 if you have any questions.

“Car/Truck Of The Month” We Want Your Car/Truck!!!

The Music City Mopar Club wants to **feature your vehicle** in a future newsletter. To do so, we obviously need some information (a Hemi crank fell on our crystal ball!). We know there are many MCMC members out there who are very proud of their vehicles and want to tell the world about it. You may think this is a good idea but you are shy about your writing talents. Initial comments we have heard is that people have no difficulty talking about their “rides” but writing is not always your strong point. This is where MCMC newsletter editors can offer some assistance.

While we would certainly prefer that you write the article in your own words, we have put together the enclosed questionnaire to get you/us started on an article. This asks some of the basic questions concerning your vehicle. If you are a proud of your vehicle as we think you are, fill out the questionnaire and we will try to help with the rest. Remember we also need **sharp** color or black and white photographs!

Fill out the enclosed information and return it to the MCMC at P.O. Box 625, Madison, TN 37116. If necessary, someone from the newsletter staff will contact you for additional details and we will do our best to assemble an article that will do you car/truck justice.

Significant Options:

Special Features:

History (humorous or not)

Attach Additional Pages if Necessary.

The Special Features should include any information such as unique engine or drivetrain components or unique body or interior features.

The History section should be used to talk about the background (always a Sunday driver, etc.) or information covering the pain and pleasure of a restoration.

To do this type of feature we need your assistance (and pictures). **Help us out!**
